**CITY OF SEBASTOPOL
 CITY COUNCIL
 AGENDA ITEM**

Meeting Date: September 7, 2021
To: Honorable Mayor and City Councilmembers
From: Kari Svanstrom, Planning Director
Subject: Approval of Americorp Trail Matching Grant Agreement with Sonoma County Ag + Open Space
Recommendation: Approve the Agreement
Funding: Currently Budgeted: XX Yes _____ No _____ N/A
 \$253,897 from the Park Improvement Fund (212)

Account Code/Costs authorized in City Approved Budget (if applicable) AK (verified by Administrative Services Department)

INTRODUCTION/PURPOSE:

The item is to request Council authorize staff to execute the required agreement with Sonoma County Ag + Open Space for the matching grant the City has been awarded.

BACKGROUND:

The Sonoma County Ag + Open Space District (“District”) provides funding to public agencies and nonprofits for the protection of open spaces within Sonoma County communities for local agriculture, community recreation, natural resource restoration, and public access. In exchange for funding, the District requires a Conservation Easement, as well as a Matching Funds agreement for award of funds.

The City applied for, and was awarded, a matching grant of not to exceed \$126,943 from the Sonoma County Ag + Open Space District for the Americorp trail extension project, which will extend this trail, which starts at the south side of the Community Center parking lot, down to the west side of the Highway 12 bridge. Prior projects funded through this program include Meadowlark Field improvements, the Skatergarten Park Expansion, and purchase of Tomodachi Park.

DISCUSSION

City Staff has been working with Ag + Open Space to finalize the details of the conservation easement and matching fund agreement for the Americorp Trail Expansion project. The Conservation Easement allows for passive recreation uses, outlines maintenance/preservation requirements, and outlines the process for new improvements to support the same. Additionally, the Easement language has been adjusted from past easements to include both the specific Ned Kahn “Sebastopol Spire” artwork approved for the southern portion of the trail, as well as potential future, smaller art pieces (up to 15’ tall) that may be approved by both the Council and Ag + Open Space District. Utility maintenance and improvements are also considerations for the easement (as exclusions where needed), as the City has stormwater, sewer, and other utilities in the easement through the area which will need upgrades and maintenance over time.

The legal description of the area to be included is being developed by a surveyor and, staff will return to Council for final authorization to record the Easement (which needs to be done prior to reimbursement). However, approval of the matching funds agreement will allow the City to move forward with the project. The City’s

Engineering Department has been working on final specifications; procuring required permits (CalTrans encroachment permit for the connection to the Highway 12 sidewalk just west of the bridge); and preparing the bid documents. Engineering will bring the authorization to Bid to Council for approval once the required permits are procured, bid documents are finalized, and project timeline is set. Given the time of year and location of the trail in a flood plain, it is most likely that the time frame will be to bid the project during winter for construction after the rainy season next spring.

GOALS:

This action supports the following City Council Goals and General Plan Actions:

City Council Goal 3- Maintain, Enhance, and Increase Park-land in the City of Sebastopol

City Council Goal 4 – Maintain and Enhance the City of Sebastopol as a walkable/bike-able community

PUBLIC COMMENT:

As of the writing of this staff report, the City has not received any public comment. However, staff anticipates receiving public comment from interested parties following the publication and distribution of this staff report. Such comments will be provided to the City Council as supplemental materials before or at the meeting. In addition, public comments may be offered during the public comment portion of the agenda item.

PUBLIC NOTICE:

This item was noticed in accordance with the Ralph M. Brown Act and was available for public viewing and review at least 72 hours prior to schedule meeting date.

FISCAL IMPACT:

Approval of the agreements under consideration with this report allow the City to enter into the agreement with the District for the matching funds.

This project is included in the adopted Capital Improvement Plan budget (Project #0411-73.00), with funds coming from three sources: \$126,943 from the SC Ag + Open Space match, and the other \$126,943 coming from the Laguna Foundation (\$28,000 for vegetation restoration) and the City's Park development fees (\$98,954).

RECOMMENDATION:

Staff recommends the Sebastopol City Council authorize staff to execute the required agreement with Sonoma County Ag + Open Space

MATCHING GRANT AGREEMENT

Americorps Trail

This agreement ("Agreement") dated as of _____ ("Effective Date") is entered into by and between the Sonoma County Agricultural Preservation and Open Space District (hereinafter "District"), a public agency, and the City of Sebastopol (hereinafter "Grantee").

RECITALS

A. *Program.* The District has a Competitive Matching Grant Program ("Program") by which it provides funding to cities, other public agencies, and non-profit organizations on a competitive basis for open space projects that are consistent with the Expenditure Plan approved by Sonoma County voters in November 2006, as part of the Sonoma County Open Space, Clean Water and Farmland Protection Measure, Measure F.

B. *Application.* Grantee submitted an application under the District's 2018 Program for funding toward the Project (as defined below), specifically toward new trails and access points along the Americorps Trail on the City's property in the amount of One Hundred Twenty-Six Thousand Nine Hundred Forty-Three Dollars (\$126,943.00). The District recommended inclusion of the Project into the Program, with funding in the amount of One Hundred Twenty-Six Thousand Nine Hundred Forty-Three Dollars (\$126,943.00). This recommendation was accepted by the Sonoma County Citizens Advisory Committee on September 18, 2018, and approved by the District's Board of Directors on November 13, 2018, subject to negotiation and execution of this Matching Grant Agreement.

C. *Project & Property Description.*

- The Project will provide critical trail connectivity improvements in the Laguna Preserve in the City of Sebastopol. These improvements are as described in Exhibit A, attached hereto and incorporated herein ("the Project").
- On April 17, 2018, Grantee's City Council determined that the Project is consistent with Grantee's General Plan (2016).
- The Project is also consistent with the Laguna Preserve Management Plan (2015).

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties hereto agree as follows:

AGREEMENT

1. The foregoing recitals are true and correct.

2. GRANT REQUIREMENTS

a. *District Grant.* Subject to all terms and conditions herein, the District shall provide One Hundred Twenty-Six Thousand Nine Hundred Forty-Three Dollars (\$126,943.00) to be used exclusively for the Project, as described in Exhibit A. The Project shall be fully implemented and the District's grant award shall be expended by no later than November 13, 2023.

b. *Match.* As its matching contribution to the Project, Grantee will provide One Hundred Twenty-Six Thousand Nine Hundred Forty-Three Dollars (\$126,943.00) in funding from City funds and grants toward the Project, with no more than 50% of the total Match attributed to operations and maintenance costs. No more than Twelve Thousand Six Hundred Ninety-Four Dollars (\$12,694.00) (10% of the total matching funds) may be spent on project management/planning costs, including those associated with project planning such as plan development, CEQA analysis and compliance, permitting and approvals, and staff costs. Matching funds shall be expended no later than November 13, 2023. Grantee shall be required to report match expenditures, consistent with Section 3(b)(iii) below, until the match is met.

c. *Conservation Easement.* District shall not be obligated to fund the Project unless Grantee grants a conservation easement ("Conservation Easement") to the District in a form acceptable to the District protecting the natural resource, scenic resources, and recreational and educational values of that certain Property owned by the City, which Property is more fully described in Exhibit B, attached hereto and incorporated herein ("Property").

d. *Recreation Conservation Covenant.* District shall not be obligated to fund the Project unless Grantee grants a recreation conservation covenant ("Recreation Covenant") to District, pursuant to which Grantee will accept the affirmative obligation to use, operate and maintain the Property for low-intensity public outdoor recreation in perpetuity.

e. *The Irrevocable Offers of Dedication.* District shall not be obligated to fund the Project unless Grantee grants irrevocable offer of dedication in fee in favor of the

District to secure its obligations under the Recreation Covenant. This instrument shall hereinafter be referred to as the “Irrevocable Offer.”

f. *Public Access.* By no later than November 13, 2023, Grantee shall open the Property for low-intensity public outdoor recreation consistent with this Agreement, the Conservation Easement, and the Recreation Covenant.

g. *Operations and Maintenance.* Grantee shall use, manage, operate and maintain the Property in perpetuity solely for natural resource protection, open space preservation, recreation, and education in a manner consistent with the Conservation Easement and the Recreation Covenant. Grantee assumes all responsibility for and costs of management, operation and maintenance of the Property. The District shall not be liable for any costs of such management, operation or maintenance.

3. PROCEDURAL REQUIREMENTS

a. *Project Detail.* Exhibit A to this Agreement includes the Project details, including: (1) a detailed description of the Project, including conceptual and, if available, construction plans; (2) a timeline or schedule for Project implementation, including final Project completion date; and (3) a detailed budget, describing expenditure of the District Grant as well as the matching funds identified to accomplish the Project and reflecting the required one-to-one (1:1) match.

b. *Disbursement of Grant Funds.*

- i. Conditions. The District shall not be obligated to disburse any funds unless and until the following conditions have been met:
- The District’s Board of Directors has approved funding for the Project.
 - The Conservation Easement has been executed and recorded and Grantee is in compliance with the terms of the Easement.
 - The Recreation Covenant has been executed and recorded and Grantee is in compliance with the terms of the Covenant.
 - Grantee has provided written evidence to the District that all permits and approvals necessary to implement the Project under applicable local, state and federal laws and regulations have been obtained.
 - Grantee has provided required insurance coverage as described in Section 4 (b) of this Agreement.

- Grantee has provided a current negotiated rate letter approved by a cognizant federal agency, an Indirect Cost Rate (ICR) plan, or current billing rates for Grantee's staff.
- Grantee has provided proof of compliance with the California Environmental Quality Act (CEQA).

ii. Payment.

1. Reimbursement. The Grantee may submit requests for payment while work is in progress. Grantee shall complete and submit no more frequently than monthly and no less frequently than quarterly, reimbursement claims in a form acceptable to the District containing, at a minimum, all the information in the sample form attached hereto as Exhibit C. Each invoice should be accompanied by a Progress Report as described below. The District will pay the claims of Grantee within 30 days of receipt of such claims, provided that the District's General Manager is satisfied that the claims (i) are complete; (ii) include adequate supporting documentation; and (iii) are for eligible expenses as detailed in Exhibit A, and such expenses were reasonably incurred in connection with the Project.
2. Final Reimbursement. In submission of the final request for reimbursement, Grantee shall ensure that the reimbursement claim filed with the District is labeled as final and includes photos documenting 100% implementation of the work funded by the District's grant. The Final Performance Report prepared in accordance with Section 3(b)(iii)(2) shall accompany the final request for reimbursement.

iii. Reporting.

1. Quarterly. Grantee shall complete and submit no less frequently than quarterly, a Performance Report (PR) demonstrating Grantee's progress under this Agreement. The first PR shall be submitted no later than ninety (90) days after work funded by this Agreement commences. The PR shall be in a form acceptable to the District's General Manger and shall include (i) a summary of the current status of the Project; (ii) a

description of any challenges and opportunities encountered within the reporting period and how the Grantee will address them; (iii) percent of the Project implemented; (iv) amount(s) and source(s) of match expended; and (v) percent of the match expended.

2. Final. Within 45 days of completion of the Project, Grantee shall file with District a final PR demonstrating 100% implementation of the Project, including demonstration that the District's grant and the Grantee's match have been expended consistent with the terms of this Agreement, and that restoration monitoring and maintenance is underway. The final PR should include photos documenting (i) Project completion; and (ii) installation of signs as required by Section 4 (f) below.

4. IMPLEMENTATION REQUIREMENTS

a. *Procurement.* In expenditure of District's grant for goods and services, Grantee shall comply with District's competitive procurement procedures, including those required by laws applicable to a special district created by Public Resources Code section 5500 *et seq.* Alternatively, subject to District consent, Grantee may use its own competitive procurement procedures, provided that such procedures provide financial protection equal to or greater than those provided by the District's competitive procurement procedures. Should Grantee desire to use its own competitive procurement procedures in lieu of District's, Grantee shall submit its procedures to District for review and approval. If District, in its sole discretion, determines that Grantee's procurement procedures are not sufficiently rigorous, District may deny the request and Grantee shall thereafter use District's procurement procedures for all transactions undertaken in connection with the District's grant. In any event, District reserves the right to reimburse Grantee for only such costs it deems commensurate with the fair market value of the goods and services supplied.

b. *Insurance.* Grantee shall maintain the insurance specified in Exhibit D, attached hereto and incorporated herein by this reference.

c. *Prevailing Wage.* With respect to any portion of the Project that constitutes the performance of a "public work" within the meaning of Labor Code section 1720, Grantee shall comply with all applicable wage and hour laws, including without limitation Labor Code Sections 1775, 1776, 1777.5 1813 and 1815 and California Code of Regulations, Title 8, Section 16000, *et seq.*

d. *ADA Requirements.* Grantee shall ensure that the Project complies with all applicable requirements of the Americans with Disabilities Act (ADA) including, without limitation, providing fully accessible public access to the Property and all facilities and programs provided thereon.

e. *Non-Discrimination.* Grantee shall comply with all applicable federal, state and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability, sexual orientation, or other prohibited basis including, without limitation, the District's Non-Discrimination Policy. All nondiscrimination rules and regulations required by law to be included in this Agreement are incorporated herein by this reference.

f. *Signs.* Grantees shall erect at least one permanent sign, or shall incorporate a statement an existing sign on the Property acknowledging the District's financial participation in the Project. Such signs shall: (1) be made of materials that are weather resistant; (2) be located where they are easily read by the public; (3) include, at a minimum, the District's logo (provided by District) and if possible the following language, "This Project was funded in part through the Sonoma County Agricultural Preservation and Open Space District's Matching Grant Program;" and (4) be consistent with the signage language in the Conservation Easement. The number, design, wording, and placement of signs shall be submitted to the District's General Manager for review and approval.

5. PROJECT REVISIONS AND EXTENSIONS

a. *Changes to Project.* To maintain the integrity of the competitive Program, no substantive changes or alterations to the Project may be made without written consent of the District.

b. *Project Implementation Extension.* The General Manager, at his/her sole discretion, may grant a single extension of time, of no more than two years, for completion of the Project. The District's granting of an extension is dependent upon Grantee's ability to demonstrate that reasonable progress on the Project is and has been made, that the Grantee has been compliant with all provisions of this Agreement, the Conservation Easement, and the Recreation Covenant, and that the extension will result in successful implementation of the Project within the extended timeframe.

6. RECORDS KEEPING

a. *Records*. Grantee shall maintain all financial, procurement, accounting, licenses, insurance, and project and programmatic records related to the Project for no less than five (5) years after the completion of the Project.

b. *Records Access*. Upon not less than 24-hours advance notice, Grantee shall provide District with access during normal business hours to all financial, procurement, accounting, licenses, insurance, and project and programmatic records related to the District's grant for no less than five (5) years after completion of the Project.

c. *Annual Audit*. Grantee shall make available annual audited financial statements related to the District Grant funds and Grantee Match Funds to the District within 6 months of the Grantee's previous fiscal year end. If a Grantee does not have an audit conducted, a biennial accountant review will be accepted in lieu of an annual audit with respect to that Grantee.

d. *Accounting Requirements*. Grantee shall maintain an accounting system that is in accordance with generally accepted accounting procedures and standards, and as such:

- i. Accurately reflects responsible fiscal transactions, with the necessary controls and safeguards.
- ii. Provides a solid audit trail, including original source documents such as contracts, purchase orders, receipts, progress payments, invoices, timecards, and evidence of payment.
- iii. Provides accounting data so the total cost of the project and each individual component can be readily determined.

e. *Fiscal and Project Monitoring*. The Project will be subject to compliance monitoring by the District. The monitoring may include examination of books, papers, accounts, documents or other records of Grantee as they relate to the expenditure of District grant funds and the Grantee's match.

7. GENERAL PROVISIONS

a. *Statutory Compliance*. All activities and uses in connection with the Project shall be subject to and undertaken in accordance with all applicable federal, state, and local statutes, ordinances, rules, and regulations.

b. *Access to Project Site.* The District shall have the right to enter and inspect the Property upon 24 hours notice to the Grantee for the purposes of ensuring compliance with this Agreement and progress toward Project completion.

c. *Failure to Perform.* Failure by Grantee to comply with the terms of this Agreement may result in any or all of the following actions at the District's sole discretion:

- i. If District reasonably determines that the Project will not be implemented or that the purposes of the Project will not be met within the timeframes provided herein, the District may cease all further funding and may commence and pursue all available legal remedies to recoup any and all grant funds disbursed to Grantee pursuant to this Agreement.
- ii. District may seek specific performance of this Agreement in a court of competent jurisdiction. Grantee hereby agrees that the public benefits sought by this Agreement exceed the dollar amount of the grant and are impracticable or extremely difficult to measure. Grantee further agrees that, in the event of a breach of this Agreement by Grantee, reimbursement of the grant funds, alone, would be inadequate compensation and that, in addition to damages, the District shall be entitled to injunctive relief, including specific performance, without the necessity of proving either actual damages or the inadequacy of otherwise available legal remedies. Specific performance, however, shall not be compelled if changes in circumstances have rendered such performance impossible or financially infeasible.

d. *Indemnification.* Grantee agrees to accept all responsibility for loss or damage to any person or entity, including but not limited to District, its officers, agents, and employees and to defend, indemnify, hold harmless, reimburse and release District, its officers, agents, and employees, from and against any and all actions, claims, damages, disabilities, liabilities and expense, including but not limited to attorneys' fees and the cost of litigation, whether arising from personal injury, property damage or economic loss of any type, that may be asserted by any person or entity, including Grantee, arising out of or in connection with this Agreement and/or the Project, whether or not there is concurrent negligence on the part of District, but, to the extent required by law, excluding liability due to the sole or active negligence or due to the willful misconduct of District. If there is a possible obligation to indemnify, Grantee duty to defend exists regardless of whether it is ultimately determined that there is not a duty to indemnify.

District shall have the right to select its own legal counsel at the expense of Grantee, subject to Grantee approval, which approval shall not be unreasonably withheld.

e. *Method and Place of Giving Notice, Making Submissions and Payments.* Except as otherwise expressly provided herein, any notice, invoice, report, demand, request, approval, disapproval, or other communication that either party desires or is required to give under this Agreement shall be in writing and either served personally or sent by first class mail, private courier or delivery service, or telecopy addressed as follows:

--------------	---

TO GRANTEE:	City Manager City of Sebastopol 7120 Bodega Avenue Sebastopol, CA 95472

f. *Assignment and Delegation.* Grantee shall not assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the District, and no such transfer shall be of any force or effect whatsoever unless and until such consent is received.

g. *Amendment.* No changes in this Agreement shall be valid unless made in writing and signed by the parties to this Agreement. No oral understanding or agreement not incorporated in this Agreement shall be binding on any of the parties.

h. *No Third Party Beneficiaries.* Nothing contained in this Agreement shall be construed to create and the parties do not intend to create any rights in third parties.

i. *Merger.* This writing is intended both as the final expression of the agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure Section 1856. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

j. *Time of Essence.* Time is and shall be of the essence of this Agreement and every provision hereof.

Project Overview:

The primary project objective is to improve connectivity within the Laguna Preserve by extending and improving the existing AmeriCorps Trail. The extension will be from its present terminus behind the City of Sebastopol “lift station” at 275 Morris Street, over Zimpher Creek, to connect with Sebastopol Avenue. A pedestrian bridge will span Zimpher Creek, which presently poses a physical barrier. The project enhances an existing primitive trail, with minimal built improvements. Several modest arbors will demarcate entry points, and several benches and a sculpture are also part of the project. The improvements are deliberately minimal, to have a little impact as possible while providing public access. The project is also being coordinated with a Laguna Foundation restoration project.

SECTION 6. PROJECT TIMELINE & COST - IMPROVEMENT PROJECTS

For **Improvement Projects**, using the table below, create a detailed line-item timeline and budget that identifies all tasks required to implement the project, the overall schedule for the project including discrete milestones. Be sure that proposed timelines meet the requirements in the MGP Guidelines, Section D.5. Identify the funding source for each item, such as Ag + Open Space's Matching Grant Program, other grants, and in-kind and volunteer contributions. See MGP Guidelines, Section E.2 for more information on eligible activities for grant and match funding.

Add additional rows as needed by using the + sign to the right of each task section.

ASSIGNING DEVELOPMENT RIGHTS

The City of Sebastopol (“GRANTOR”) and the Sonoma County Agricultural Preservation and Open Space District, a public agency formed pursuant to the provisions of Public Resources Code sections 5500 *et seq.* (“DISTRICT”), agree as follows:

RECITALS

- A. GRANTOR is the owner in fee simple of that certain real property located in Sonoma County and more particularly described in Exhibit A, attached hereto and incorporated herein by this reference ("the Property").
- B. In 1990, the voters of Sonoma County approved the creation of DISTRICT and the imposition of a transactions and use tax. The purpose for the creation of DISTRICT and the imposition of the tax was to provide for the preservation of agriculture and open space through the acquisition of interests in appropriate properties from willing sellers consistent with a voter-approved Expenditure Plan. DISTRICT was created and the tax imposed in order to further the state policy for the preservation of agricultural and open space lands, to meet the mandatory requirements imposed on the County and each of its cities by Government Code sections 65560 *et seq.* and to advance the implementation of the open space elements of their respective general plans. In 2006, the voters of Sonoma County approved an extension of the transaction and use tax and an update of the Expenditure Plan.
- C. The DISTRICT is organized pursuant to Public Resources Code sections 5500 *et seq.* and is duly authorized to acquire and hold conservation easement interests pursuant to Civil Code section 815.3 and Public Resources Code section 5540.
- D. On [Date], DISTRICT's Board of Directors, pursuant to Government Code section 65402 and Sonoma County Ordinance No. 5180, determined, by its Resolution No. [Number], that the

acquisition of a conservation easement in the Property was consistent with the Sonoma County General Plan (specifically the Plan's **Open Space and Resource Conservation Elements**) because [Give specific reasons for GP conformity – same as language in resolution]. By that same resolution, the DISTRICT's Board of Directors determined that its funding of the Project is consistent with the voter-approved Expenditure Plan.

D. On [Date], the City Council of the City of Sebastopol, determined, pursuant to Government Code section 65402, that recordation of a Conservation Easement for purposes of conserving natural resources, scenic resources, recreational and educational resources, and urban open space is consistent with the **City of Sebastopol General Plan**.

E. [If additional plans to reference:] This Easement, as further defined below, will further the goals, objectives and policies of the following adopted local plans: GRANTOR's Laguna de Santa Rosa Park Master Plan, 1993 and Laguna Wetlands Preserve Restoration and Management Plan, 2016; and the DISTRICT's Vital Lands Initiative, 2021.

F. DISTRICT has the authority to acquire conservation easements by virtue of Public Resources Code section 5540 and possesses the ability and intent to enforce the terms of this Easement.

H. In an agreement of even date titled Recreation Conservation Covenant and recorded contemporaneously, GRANTOR has obligated itself and its successors to engage in certain recreational operations on the Property. It is the intent of GRANTOR and DISTRICT that the Recreation Conservation Covenant and this Agreement will be construed together in order to achieve the purposes of both agreements.

THEREFORE, in consideration of the foregoing recitations and of the mutual covenants, terms, conditions, and restrictions herein set forth and other valuable consideration receipt of which is hereby acknowledged, GRANTOR and DISTRICT agree as follows:

EASEMENT

PART ONE: GRANT OF EASEMENT

1. Grant and Acceptance of Conservation Easement and Assignment of Development Rights. Pursuant to the common and statutory law of the State of California including the provisions of Civil Code sections 815 through 816, inclusive, GRANTOR hereby grants to DISTRICT and DISTRICT accepts a conservation easement over the Property in perpetuity under the terms and conditions set forth herein ("the Easement"). GRANTOR hereby irrevocably assigns to DISTRICT all development rights associated with the Property, except as specifically provided by this Easement.

2. Conservation Values. The Property is part of the City of Sebastopol's Laguna de Santa Rosa Wetlands Preserve, located on the west side of the Laguna de Santa Rosa, north of Highway 12 and east of Morris Street in the City of Sebastopol. The 12-acre property provides important opportunities for natural resource conservation and restoration, scenic resource protection, and public access and education. Critical resources on the Property (collectively

“the Conservation Values”), include natural resources, scenic resources, recreational and educational resources, and urban open space.

2.1 Natural Resources. The Property consists of perennial and seasonal creeks, riparian habitat, oak woodland, and grassland, which function as buffers between streams and upland areas, and which provide good habitat for many species of birds and wildlife. Zimpher Creek is a blue line stream on the Property. This area has been a focus for recent Laguna de Santa Rosa riparian restoration activities.

2.2 Scenic Resources. The Property offers views of open and natural lands that are highly visible from Highway 12, including the Laguna de Santa Rosa floodplain and associated uplands. The Property is within the Sonoma County General Plan 2020’s Santa Rosa/Sebastopol Community Separator, with the lowlands and floodplain around the Laguna de Santa Rosa identified as a Scenic Landscape Unit, as this area is highly visible from Highway 12, which is a General Plan-designated Scenic Corridor.

2.3 Recreation and Education. Pedestrian and multi-use trails offer opportunities for the public to enjoy the natural habitats on the Property. Designating a public trail, installing raised boardwalk through sensitive areas near the Laguna de Santa Rosa, and creating a safe bridge crossing over Zimpher Creek will enhance the public’s passive outdoor recreation experience and provide educational opportunities for both local area residents and visitors to Sonoma County.

2.4 Urban Open Space. The Property provides vital open space to residents and visitors of the City of Sebastopol. Protection of open space along the Laguna de Santa Rosa is also particularly valuable for wildlife species within the urban area.

3. Conservation Purpose. It is the purpose of this Easement to preserve and protect forever the Conservation Values of the Property, as described in Section 2. This purpose shall hereinafter be referred to as “the Conservation Purpose of this Easement.” GRANTOR and DISTRICT intend that this Easement will constrain development and confine the use of the Property to uses and activities that are consistent with the Conservation Purpose of this Easement and will prohibit and prevent any uses and activities of the Property that will materially impair or interfere with the Conservation Values of the Property. GRANTOR and DISTRICT intend that all Conservation Values of the Property will be fully preserved and protected in perpetuity. In the event, however, that the preservation and protection of one Conservation Value becomes irreconcilably inconsistent with the preservation and protection of another Conservation Value, the following priorities shall be followed: i) first priority shall be given to preservation and protection of natural resources; ii) next preservation and protection of scenic resources; iii) third, preservation and protection of recreational and educational uses, and (iv) fourth, protection of urban open space resources.

Such entry shall be permitted at least once a year at reasonable times, upon one week's prior notice to GRANTOR, and shall be made in a manner that will not unreasonably interfere with GRANTOR's use and quiet enjoyment of the Property pursuant to the terms and conditions of this Easement. Each entry shall be for only so long a duration as is reasonably necessary to achieve the purposes of this Section 4.2, but shall not necessarily be limited to a single physical entry during a single twenty-four hour period. Notwithstanding the foregoing, should DISTRICT's General Manager have a reasonable belief that GRANTOR is in breach of this Easement, DISTRICT shall have the right at any time, upon twenty-four hours' prior notice to GRANTOR, to enter upon the Property for the purpose of determining whether such breach has occurred. The rights of entry provided by this Section 4.2 shall extend to the officers, agents, consultants, and volunteers of DISTRICT.

4.3 Enforcement. DISTRICT shall have the right to enforce the rights herein granted and to prevent or stop, by any legal means, any activity or use on the Property that is inconsistent with the terms, conditions or Conservation Purpose of this Easement and to require restoration of such areas or features as may be damaged by such activities or uses.

4.4 Audit. DISTRICT shall have the right to inspect, copy and audit GRANTOR's financial and programmatic records, of any type, nature or description, as DISTRICT deems necessary to ensure GRANTOR's compliance with Section 5.1.7.

5.4.4 Fences and Gates. Subject to prior written approval by DISTRICT, GRANTOR may construct and erect new fencing and gates only as necessary for permitted uses of the Property or as necessary in connection with GRANTOR'S duties to prevent foreseeable trespass pursuant to Section 5.1. All fencing and gates must (i) preserve the scenic values of the Property; (ii) be the minimum necessary in design and extent; (iii) not impede wildlife movement except in cases where necessary to protect the allowed natural resources preservation, restoration and enhancement activities described in this Easement; and (iv) comply with the DISTRICT's then current guidelines for fences on conservation lands. Notwithstanding the provisions of Section 5.4.1, whether existing at the date hereof or constructed subsequently in accordance with the provisions of this Easement, GRANTOR may maintain and/or replace fencing and gates only pursuant to the provisions of this Section 5.4.4. In the event any fence or gate, or portion thereof, becomes obsolete or unnecessary for the uses described in this Section 5.4.4, GRANTOR shall remove such fencing or gate from the Property.

5.4.5 Utilities and Energy Resources. Subject to prior written approval by DISTRICT, GRANTOR may install or allow installation of underground conduits for water, gas, electricity, and other underground utilities and any necessary surface facilities appurtenant thereto ("Utilities"), provided all such Utilities are associated with and necessary for permitted uses and activities on the Property or such Utilities are necessary for offsite development consistent with GRANTOR's General Plan, as it may be updated and amended from time to time, or such Utilities are necessary for water supply or sanitation purposes, so long as such Utilities are reasonably scaled to serve those purposes and are designed and implemented in accordance with sound, generally-accepted conservation practices.

5.4.6 Signs. GRANTOR may construct or place signs as set forth in this Section 5.4.6. No sign shall be artificially illuminated.

a) Without prior written notice to or approval by DISTRICT, GRANTOR may construct or place two signs not to exceed 45 square feet in size to identify the Property from public roadways.

a) Without prior written notice to or approval by DISTRICT, GRANTOR may construct or place four (4) signs not to exceed 32 square feet in size as trailhead or interpretive signs and/or to acknowledge participation of funding agencies for permitted uses on the Property.

b) Without prior written notice to or approval by DISTRICT, GRANTOR may construct or place signs no more than six (6) square feet in size to (i) mark the boundary of the Property; (ii) provide directional, interpretive and educational information; and (iii) set forth park and/or local area rules or regulations applicable to use of the park, provided that the size and number of such signs shall be limited to that which is reasonably necessary to accomplish the permitted uses herein, and further provided that such signs are sited and constructed in a manner that does not create a significant visual impact.

c) Subject to prior written approval of DISTRICT, GRANTOR may construct or place additional signs necessary or appropriate for allowed uses, provided that any such additional signs are sited and constructed in a manner that does not create a significant visual impact.

5.5 Land and Resource Management. All land and resource management activities must be designed and implemented in accordance with sound, generally-accepted conservation practices.

5.5.1 Surface Alteration. Alteration of the contour of the Property in any manner whatsoever is prohibited, including excavation, removal or importation of soil, sand, gravel, rock, peat or sod, except as reasonably necessary in connection with the uses, structures and/or improvements allowed under Section 5 of this Easement. In connection with allowed uses, structures and/or improvements, movement of over 50 cubic yards of material in any calendar year is subject to prior DISTRICT approval.

5.5.2 Water Resources. Draining, filling, dredging, diking, damming or other alteration, development or manipulation of watercourses, subsurface water, springs, ponds and wetlands is prohibited except as reasonably necessary in connection with (i) the maintenance, replacement, development and expansion of water storage and delivery systems, storm water delivery, or other utilities infrastructure allowed under Section 5.4.5, ii) reconstruction, expansion and new construction of roads or trails allowed under Sections 5.4.3 and 5.4.2, respectively; and (iii) the preservation, restoration and enhancement of natural resources allowed under Section 5.5.5.

5.5.3 Mineral Exploration. Exploration for, or development and extraction of, minerals and hydrocarbons by any surface or sub-surface mining or any other method is prohibited.

5.5.4 Vegetation and Fuel Management. GRANTOR may undertake vegetation and fuel management activities to reduce fire risk with notice to DISTRICT, provided that the activities (1) apply techniques used minimize harm to native wildlife and plants, (2) are performed in accordance with all applicable laws, and (3) are consistent with the Master Plan. If vegetation and fuel management activities are to take place during nesting season, nesting surveys must be conducted in coordination with a qualified biologist and GRANTOR must modify any proposed activities based on survey results to ensure no impacts to identified nests result therefrom. Fuels management methods are limited to:

- a) Brush removal and mowing of the Property, or other methods of similar nature and intensity; and
- b) Prescriptive burning undertaken in a manner consistent with the standards and requirements of the local fire protection agency having jurisdiction; and
- c) Limited grazing. Such grazing shall be undertaken in accordance with sound, generally accepted conservation practices, and in a manner that preserves the natural resources and open space character of the Property; and
- d) With prior approval from DISTRICT, limited tree trimming and tree removal within a fire break area.

5.5.5 Natural Resource Preservation, Restoration, and Enhancement. With prior written approval of DISTRICT, GRANTOR may undertake natural resource preservation, restoration and enhancement activities, including but not limited to, bank and soil stabilization, and practices to enhance water quality, native plant and wildlife habitat and connectivity, and to promote biodiversity.

5.5.6 Native Tree Removal. Harvesting, cutting, trimming, transplanting, or destruction of any native trees is prohibited, except as reasonably necessary (i) to control insects and disease; (ii) to prevent personal injury and property damage; (iii) for the purpose of fire management, in accordance with Section 5.5.4; (iv) for natural resource preservation, restoration and enhancement, as set forth in Section 5.5.5; and (v) with prior written approval by DISTRICT, within the footprint of permitted trails and pathways. Native trees removed pursuant to this Section 5.5.6 may be used for personal firewood.

5.5.7 Native Vegetation Removal. Removal or destruction of any native non-tree vegetation is prohibited, except as reasonably necessary (i) within footprint of permitted structures and improvements; (ii) to control insects and disease; (iii) to prevent personal injury and property damage; (iv) for the purpose of fire management, in accordance with Section 5.5.4; and (v) for natural resource preservation, restoration and enhancement, as set forth in Section 5.5.5.

5.5.8 Native Animal Removal. Killing, hunting, trapping, injuring or removing native animals is prohibited except (i) under imminent threat to human life or safety; and (ii) as reasonably necessary in accordance with Section 5.5.5, using selective control techniques consistent with the policies of the Sonoma County Agricultural Commissioner and other governmental entities having jurisdiction.

5.5.9 Non-Native Plants and Animals.

a) **Removal.** GRANTOR may remove or control non-native plant and animal species provided that techniques used minimize harm to native wildlife and plants and are in accordance with sound, generally-accepted conservation practices.

b) **Introduction.** GRANTOR shall not establish or plant non-native plant and animal species outside of the designated Building Envelopes.

5.5.10 Off-road Motorized Vehicle Use. Use of motorized vehicles off roadways is prohibited, except for the minimum necessary in connection with permitted construction, maintenance, emergency access, and property management activities.

5.5.11 Dumping. Dumping, releasing, burning, or other disposal of wastes, refuse, debris, non-operative motorized vehicles, or hazardous substances is prohibited. GRANTOR shall remove garbage or materials dumped on the Property by third parties.

5.5.12 Outdoor Storage. Outdoor storage shall be prohibited except as provided in this section.

(a) Materials Required For Permitted Uses. GRANTOR may store materials and supplies required for permitted uses outdoors, provided such storage shall be located so as to minimize visual impacts.

(b) Storage of Construction Materials. GRANTOR may store construction and other work materials outdoors needed during construction of permitted structures and improvements on the Property while work is in progress and for a period not to exceed thirty (30) days after completion or abandonment of construction. Construction shall be deemed abandoned if work ceases for a period of 180 days.

5.6. Public Access Limitations. GRANTOR and DISTRICT understand and agree that the Property is and will continue to be a public park in perpetuity. GRANTOR, however, may exclude the public from the Property on a temporary basis to the extent necessary for public health or safety or for preservation of the Conservation Values of the Property. Nothing in this Easement shall be construed to preclude GRANTOR's right to grant access to third parties to the Property consistent with the terms, conditions and Conservation Purpose of this Easement.

5.7. Easements. GRANTOR may continue the use of existing easements of record granted prior to this Easement. The granting of new temporary or permanent easements, and the modification or amendment of existing easements is prohibited without the prior written approval by the DISTRICT. It is the duty of GRANTOR to prevent the use of the Property by third parties that may result in the creation of prescriptive rights.

PART FOUR: PROCEDURES AND REMEDIES

6. Notice and Approval Procedures. Some activities and uses permitted by this Easement require that prior written notice be given by GRANTOR to DISTRICT, while other activities and uses permitted by this Easement require the prior written approval of DISTRICT. Unless and until such notice is given or approval is obtained in accordance with this Section 6, any such activity or use shall be deemed to be prohibited on the Property. GRANTOR shall use the procedures set forth below to provide notice to DISTRICT or to obtain DISTRICT's approval. All notices and requests for approval shall include all information necessary to permit DISTRICT to make an informed judgment as to the consistency of the GRANTOR's request with the terms, conditions and Conservation Purpose of this Easement. The DISTRICT may request such additional or supplemental information as it deems necessary to evaluate any notice or request for approval. Forms for notices and requests for approval shall be available at DISTRICT's offices.

6.1 Approval, Amendments, Revisions and Updates of Master/Management Plan. GRANTOR and DISTRICT acknowledge that GRANTOR intends to prepare a Master Plan for the Property to define and guide future use and development of the Property and to streamline DISTRICT approvals under this Easement. Pursuant to Section 5.1.8 of this Easement, GRANTOR shall secure DISTRICT's approval of such Master Plan and any amendments, revisions or updates (collectively "Revisions") prior to their implementation.

The Master Plan and any amendments, revisions or updates (collectively "Revisions") must identify, at a minimum, (a) all major components of park use (including recreational, educational, and resource management use), (b) the nature of each proposed use and its intended location, (c) all proposed structures, and (d) all actions to be taken to protect natural resources.

DISTRICT's approval shall be based solely upon its reasonable determination as to whether the Master Plan or Revisions are consistent with the terms, conditions and Conservation Purpose of this Easement, and does not constitute issuance of entitlements. DISTRICT acknowledges that, in light of the public processes required for development of the Property for recreation and educational use and natural resource preservation, time is of the essence and DISTRICT's approval may not be unreasonably withheld or delayed. GRANTOR shall use the following procedure to obtain DISTRICT's approval for the Master Plan and Revisions.

6.1.1 GRANTOR may, at its discretion, at any time, submit a Master Plan or Revisions to DISTRICT for its review and approval. DISTRICT shall have sixty (60) days from the receipt of the Master Plan or Revisions, plus twenty-one (21) days from any subsequent or follow up submittal, to review the Master Plan or Revisions and either approve the Master Plan or Revisions or notify GRANTOR of any objection thereto. DISTRICT's response, whether approval or objection, shall be in writing and delivered to GRANTOR in accordance with Section 19. If DISTRICT has any objections to the Master Plan or Revisions, it shall state such objections in sufficient detail to enable GRANTOR to modify the Master Plan or Revisions so as to bring it into compliance with the terms, conditions and Conservation Purpose of this Easement.

6.1.2 In connection with any environmental review of the Master Plan or Revisions under the California Environmental Quality Act ("CEQA") or any successor statute then in effect, GRANTOR shall provide DISTRICT with notification of and

opportunity to comment on any draft environmental document made public under the statute, prior to adoption or certification of that environmental document.

6.1.3 Once the Master Plan is approved by DISTRICT, all uses and activities shall be conducted in a manner consistent with the Master Plan. Upon DISTRICT's approval and GRANTOR's adoption of a Master Plan, all uses and improvements described therein and all development reasonably necessary to implement those described uses and improvements, shall be deemed to be consistent with the terms, conditions and Conservation Purpose of this Easement and shall be permitted on the Property with no further notice to or approval by DISTRICT required. All such uses and improvements shall be undertaken in accordance with the terms and conditions of this Easement and in compliance with all applicable laws and regulations. Any update or amendment to the Master Plan shall be subject to DISTRICT approval.

6.1.4 DISTRICT may require GRANTOR to revise or update the Master Plan to address changed conditions on the Property. In the event of such a request by DISTRICT, GRANTOR shall submit proposed revisions to the Master Plan to DISTRICT within 120 days of DISTRICT's request. Such revisions will be subject to the review and approval procedures set forth in Section 6.1.1.

6.2 Uses and Activities Requiring Notice or Approval to DISTRICT. In the absence of a Master Plan or Revisions approved by DISTRICT, or for uses and activities not described in a Master Plan or Revisions approved by DISTRICT, the following procedures shall be followed for giving notice or obtaining DISTRICT approval where such notice or approval is required by this Easement. Unless and until such notice is given or approval is obtained in accordance with this Section 6.2, any such activity or use shall be deemed to be prohibited on the Property. In any instance in which DISTRICT approval is required, DISTRICT's approval shall be based solely upon its reasonable determination as to whether the activity or use is consistent with the terms, conditions and Conservation Purpose of this Easement. DISTRICT acknowledges that, in light of the public processes required for development of the Property for recreation and educational use and natural resource preservation, time is of the essence and DISTRICT's approval shall not be unreasonably withheld or delayed.

6.2.1 Uses/Activities Requiring Notice to DISTRICT. For any activity or use that requires prior written notice to DISTRICT, GRANTOR shall deliver such notice to DISTRICT at least forty-five (45) days prior to the commencement of such activity or use. That forty-five (45) day time period provides DISTRICT an opportunity to evaluate whether the proposed activity or use is consistent with the terms, conditions and Conservation Purpose of this Easement before the activity or use is begun.

6.2.2 Uses/Activities Requiring Prior Approval from DISTRICT. For any activity or use that requires prior written approval from DISTRICT, GRANTOR shall file a request for such approval ("GRANTOR's request") at least forty-five (45) days prior to the intended commencement of such activity or use. DISTRICT shall have forty-five (45) days from the receipt of a complete request to review the request and to approve, conditionally approve, disapprove or notify GRANTOR of any objection thereto. In

order to consider GRANTOR's request complete, DISTRICT may require that GRANTOR submit additional information and/or a plan for such proposed activity or use. Disapproval or objection, if any, shall be based on DISTRICT's determination that the proposed activity or use is inconsistent with the terms, conditions or Conservation Purpose of this Easement or that GRANTOR's request is incomplete or contains material inaccuracies. If, in DISTRICT's judgment, the proposed activity or use would not be consistent with the terms, conditions or Conservation Purpose of this Easement or the request is incomplete or contains material inaccuracies, DISTRICT's notice to GRANTOR shall inform GRANTOR of the reasons for DISTRICT's disapproval or objection. Only upon DISTRICT's express written approval, given by DISTRICT's General Manager, may the proposed activity or use be commenced, and then only in accordance with the terms and conditions of DISTRICT's approval.

6.2.3 DISTRICT's Failure to Respond. Should DISTRICT fail to respond to GRANTOR's request for approval within forty-five (45) days of the receipt of GRANTOR's request, GRANTOR may, after giving DISTRICT ten (10) days written notice by registered or certified mail, commence an action in a court of competent jurisdiction to compel DISTRICT to respond to GRANTOR's request. In the event that such legal action becomes necessary to compel DISTRICT to respond and GRANTOR prevails in that action, DISTRICT shall reimburse GRANTOR for all reasonable attorney fees incurred in that action. In the alternative, GRANTOR may commence a proceeding in arbitration under Section 13.

6.2.4 Uses/Activities Not Expressly Addressed: DISTRICT's Approval. In the event GRANTOR desires to commence an activity or use on the Property that is neither expressly permitted nor expressly prohibited in Section 5, GRANTOR shall seek DISTRICT's prior written approval of such activity or use in accordance with the procedure set forth in Section 6.2. The exercise of any activity or use not expressly permitted in Section 5 may constitute a breach of this Easement and may be subject to the provisions of Section 10.

7. Costs and Liabilities Related to the Property.

7.1 Operations and Maintenance of the Property. GRANTOR agrees to bear all costs and liabilities of any kind related to the operation, upkeep, and maintenance of the Property and does hereby indemnify and hold DISTRICT harmless therefrom. Without limiting the foregoing, GRANTOR agrees to pay any and all real property taxes, fees, exactions, and assessments levied or imposed by local, state or federal authorities on the Property. GRANTOR further agrees to maintain general liability insurance or adequate self-insurance covering acts on the Property. Except as specifically set forth in Section 8.2 below, DISTRICT shall have no responsibility whatsoever for the operation of the Property, the monitoring of hazardous conditions thereon, or the protection of GRANTOR, the public, or any third parties from risks relating to conditions on the Property. Except as otherwise provided in Section 8.1, GRANTOR hereby agrees to indemnify and hold DISTRICT harmless from and against any damage, liability, claim, or expense, including attorneys' fees, relating to such matters.

7.2 Hazardous Materials.

7.2.1 No DISTRICT Obligation or Liability. Notwithstanding any other provision of this Easement to the contrary, the parties do not intend and this Easement shall not be construed such that it creates in DISTRICT:

- a) The obligations or liabilities of an “owner” or “operator” as those words are defined and used in environmental laws, as defined below, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 United States Code, sections 9601 *et seq.*) (“CERCLA”);
- b) The obligations or liabilities of a person described in 42 United States Code section 9607(a)(3) or any successor statute then in effect;
- c) The right to investigate and remediate any hazardous materials, as defined below, on or associated with the Property; or
- d) Any control over GRANTOR’s ability to investigate and remediate any hazardous materials, as defined below, on or associated with the Property.

7.2.2 Warranty of Compliance. GRANTOR represents, warrants, and covenants to DISTRICT that GRANTOR’s use of the Property shall comply with all environmental laws, as defined below.

7.2.3 Definitions. For the purposes of this Easement:

- a) The term "hazardous materials" includes, but is not limited to, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in CERCLA, the Hazardous Materials Transportation Act, as amended (49 United States Code sections 1801 *et seq.*), the Resource Conservation and Recovery Act of 1976, as amended (42 United States Code sections 6901 *et seq.*), sections 25117 and 25316 of the California Health & Safety Code, and in the regulations adopted and publications promulgated pursuant to them, or any other federal, state, or local environmental laws, ordinances, rules, or regulations concerning the environment, industrial hygiene or public health or safety now in effect or enacted after the date of this Easement.
- b) The term "environmental laws" includes, but is not limited to, any federal, state, local or administrative agency statute, regulation, rule, ordinance, order or requirement relating to environmental conditions or hazardous materials.

8. Indemnification.

8.1 GRANTOR's Indemnity. GRANTOR shall hold harmless, indemnify, and defend DISTRICT, its agents, employees, volunteers, successors and assigns, from and against all damages, liabilities, claims and expenses, including reasonable attorneys' fees, arising from or in any way connected with (i) injury to or the death of any person, or physical damage to any property resulting from any act, omission, condition or other matter related to or occurring on or

about the Property, except to the extent that such damage, liability, claim or expense is the result of the negligence, gross negligence, or intentional misconduct of DISTRICT; and (ii) the obligations specified in Section 7; and (iii) any approvals given under Section 6. In the event of any claim, demand, or legal complaint against DISTRICT, the right to the indemnification provided by this Section 8.1 shall not apply to any cost, expense, penalty, settlement payment, or judgment, including attorneys' fees, incurred prior to DISTRICT's written notice of such claim, demand, or legal complaint to GRANTOR, unless GRANTOR has acquired knowledge of the matter by other means, nor to any costs, expenses, or settlement payment, including attorneys' fees, incurred subsequent to that notice unless such cost, expense, or settlement payment shall be approved in writing by GRANTOR, which approval shall not be unreasonably withheld.

8.2 DISTRICT's Indemnity. DISTRICT shall hold harmless, indemnify, and defend GRANTOR, its heirs, devisees, successors and assigns, from and against all damages, liabilities, claims and expenses, including reasonable attorneys' fees, arising from or in any way connected with injury to or the death of any person, or physical damage to any property, resulting from any act, omission, condition, or other matter related to or occurring on or about the Property and attributable to DISTRICT, except to the extent that such damage, liability, claim or expense is the result of the negligence, gross negligence, or intentional misconduct of GRANTOR (it being the intent of this provision to limit DISTRICT's indemnity to the proportionate part of GRANTOR's damage, liability, claim or expense for which DISTRICT is responsible). In the event of any claim, demand, or legal complaint against GRANTOR, the right to the indemnification provided by this Section 8.2 shall not apply to any cost, expense, penalty, settlement payment, or judgment, including attorneys' fees, incurred prior to GRANTOR's written notice of such claim, demand, or legal complaint to DISTRICT, nor to any costs, expenses, or settlement payment, including attorneys' fees, incurred subsequent to that notice unless such cost, expense, or settlement payment shall be approved in writing by DISTRICT, which approval shall not be unreasonably withheld. DISTRICT hereby also agrees to hold harmless, indemnify and defend GRANTOR from and against all damages, liabilities, claims and expenses, including attorneys' fees, asserted against GRANTOR by any officer, agent, employee, or volunteer of DISTRICT, for personal injury and/or property damage arising out of any inspection or visit to the Property by any such officer, agent, employee or volunteer on behalf of DISTRICT, except to the extent that such injury is attributable to the negligence, gross negligence or intentional misconduct of GRANTOR.

9. Baseline Documentation for Enforcement. In order to establish the present condition of the Property, DISTRICT has prepared a Baseline Documentation Report which will be maintained on file with DISTRICT and which is intended to serve as an objective information baseline for monitoring compliance with the terms of this Easement. The Baseline Documentation Report includes a Baseline Site Map. A copy of the Baseline Documentation Report has been reviewed and approved by GRANTOR. The parties agree that the Baseline Documentation Report provides an accurate representation of the Property at the time of the recordation of this Easement. **DISTRICT recognizes GRANTOR intends to develop and implement a Master Plan.**

10. Remedies for Breach.

10.1 DISTRICT's Remedies. In the event of a violation or threatened violation by GRANTOR of any term, condition or restriction contained in this Easement, DISTRICT may,

following notice to GRANTOR, institute a suit to enjoin and/or recover damages for such violation and/or to require the restoration of the Property to the condition that existed prior to such violation. The DISTRICT's notice to GRANTOR shall contain a general description of the condition claimed by DISTRICT to be a violation and shall contain a reasonable and specific cure period by which the violation is to cease and the Property is to be restored to the condition that existed prior to the violation. The notice shall be provided in accordance with Section 19. If DISTRICT reasonably determines that circumstances require immediate action to prevent or mitigate significant damage to the Conservation Values protected by this Easement, DISTRICT (a) may pursue any and all remedies available under law without waiting for the cure period to expire, (b) shall have the right, upon the giving of 24 hours' notice, to enter the Property for the purpose of assessing damage or threat to the Conservation Values protected by this Easement and determining the nature of curative or mitigation actions that should be taken, and (c) shall have the right to record a notice of violation in the Office of the Sonoma County Recorder. DISTRICT's rights under this Section 10 shall apply equally in the event of either actual or threatened violations of the terms of this Easement. GRANTOR agrees that DISTRICT's remedies at law for any violation of the terms of this Easement are inadequate and that DISTRICT shall be entitled to injunctive relief, both prohibitive and mandatory and including specific performance, in addition to such other relief, including damages, to which DISTRICT may be entitled, without the necessity of proving either actual damages or the inadequacy of otherwise available legal remedies.

10.2 DISTRICT's Discretion. Enforcement of the terms of this Easement shall be at the sole discretion of DISTRICT, and any forbearance by DISTRICT to exercise its rights under this Easement in the event of any violation or threatened violation of any term of this Easement shall not be deemed or construed to be a waiver by DISTRICT of such term or of any subsequent violation or threatened violation of the same or any other term of this Easement. Any failure by DISTRICT to act shall not be deemed a waiver or forfeiture of DISTRICT's right to enforce any terms or conditions of this Easement in the future.

10.3 Liquidated Damages. Inasmuch as the actual damages that would result from the loss or deprivation of the Conservation Values of the Property caused by a violation by GRANTOR of the terms of this Easement are uncertain and would be impractical or extremely difficult to measure, GRANTOR and DISTRICT agree that the damages allowed by Civil Code section 815.7(c) shall be measured as follows:

- a) For an improvement prohibited by this Easement, an amount equal to the product of (i) the market value of the improvement, (ii) the length of time that the improvement exists on the Property (in terms of years or portion thereof) after notice of violation has been given, and (iii) the then current annual interest rate for post judgment interest; and
- b) For an activity or change in use prohibited by this Easement, whether or not it involves an improvement, an amount equal to any economic gain realized by GRANTOR because of the activity or change in use; and
- c) For an activity or change in use prohibited by this Easement, whether or not it involves an improvement and where there is no measurable economic gain realized by

GRANTOR, the product of (i) the cost of restoration, as set forth in a written estimate by a qualified person selected by DISTRICT, (ii) the length of time that the prohibited activity or use continues (in terms of years or portion thereof) after notice of the violation has been given, and (iii) the then current annual interest rate for post judgment interest.

10.4 GRANTOR's Compliance. If DISTRICT, in the notice to GRANTOR, demands that GRANTOR remove an improvement, discontinue a use or both and claims the damages allowed by Civil Code section 815.7(c), then GRANTOR may mitigate damages by fully complying with DISTRICT's notice within the cure period provided therein. If GRANTOR so complies, then in the event of litigation arising out of the notice, brought either by GRANTOR or by DISTRICT, if GRANTOR prevails, then GRANTOR shall be entitled to economic damages, if any, resulting from its compliance with DISTRICT's notice. Neither DISTRICT nor GRANTOR shall be entitled to damages where DISTRICT has not claimed damages in its notice.

10.5 Remedies Nonexclusive. The remedies set forth in this Section 10 are in addition to, and are not intended to displace, any other remedy available to either party as provided by this Easement, Civil Code sections 815 *et seq.* or any other applicable local, state or federal law.

11. Acts Beyond GRANTOR's Control. Except as otherwise provided in Section 5.1 and this Section 11, nothing contained in this Easement shall be construed to entitle DISTRICT to bring any action against GRANTOR for any injury to or change in the Property resulting from causes beyond GRANTOR's control, including wildfire, flood, storm, earth movement, or a tortious or criminal act of a third party which GRANTOR could not have reasonably prevented, or from any prudent action taken by GRANTOR under emergency conditions to prevent, abate, or mitigate significant injury to the Property resulting from such causes so long as such action, to the extent that GRANTOR has control, is designed and carried out in such a way as to further the Conservation Purpose of this Easement. Notwithstanding the foregoing, GRANTOR shall be liable to DISTRICT for modifications or damage to the Property that impair or damage the Conservation Values of the Property when those modifications or damage result from the acts or omissions of third parties whose use of or presence on the Property is authorized or requested by GRANTOR. In the event that the Conservation Values of the Property are damaged or impaired as a result of the acts or omissions of third parties, GRANTOR shall diligently pursue all available legal remedies against such parties to ensure restoration of the Property. Nothing contained herein shall limit or preclude GRANTOR's or DISTRICT's rights to pursue any third party for damages to the Property's Conservation Values.

12. Arbitration. If a dispute arises between the parties concerning the consistency of any activity or use, or any proposed activity or use, with the terms, conditions or Conservation Purpose of this Easement, or any other matter arising under or in connection with this Easement or its interpretation, either party, with the written consent of the other, may refer the dispute to arbitration by a request made in writing upon the other. Provided that GRANTOR agrees not to proceed with any activity or use that is the subject of the dispute pending resolution of the dispute, the parties shall select a single arbitrator to hear the matter. If the parties are unable to agree on the selection of a single arbitrator, then each party shall name one arbitrator and the two arbitrators thus selected shall select a third arbitrator who shall be a retired United States District Court or California Superior Court judge; provided, however, if either party fails to select an arbitrator within fourteen (14) days of delivery of the request for arbitration, or if the two

arbitrators fail to select a third arbitrator within fourteen (14) days after the appointment of the second arbitrator, then in each such instance, a proper court, on petition of any party, shall appoint the second or third arbitrator or both, as the case may be, in accordance with California Code of Civil Procedure sections 1280 *et seq.*, or any successor statutes then in effect. The arbitration shall be conducted in accordance with said statute, including the provisions of Section 1283.05 of the Code of Civil Procedure which are incorporated into, made a part of, and made applicable to any arbitration pursuant to this Section. The Conservation Purpose of this Easement, the terms and conditions of this Easement, and the applicable laws of the State of California shall be the bases for determination and resolution, and a judgment of the arbitration award may be entered in any court having jurisdiction thereof. The prevailing party shall be entitled, in addition to such other relief as may be granted, to a reasonable sum as and for all its costs and expenses related to such arbitration, including the fees and expenses of the arbitrators, but excluding attorneys' fees, which sum shall be determined by the arbitrators and any court of competent jurisdiction that may be called upon to enforce or review the award.

13. Extinguishment and Condemnation.

13.1. Extinguishment. Subject to the requirements and limitations of California Public Resources Code section 5540, or any successor statute then in effect, if circumstances arise in the future that render the Conservation Purpose of this Easement impossible to accomplish, this Easement can only be terminated or extinguished, whether in whole or in part, by judicial proceedings in a court of competent jurisdiction, and the amount of the compensation to which DISTRICT shall be entitled from any sale, exchange or involuntary conversion of all or any portion of the Property after such termination or extinguishment, shall be determined, unless otherwise provided by California law at the time, in accordance with Section 13.2. All proceeds paid to DISTRICT shall be used by DISTRICT for the purpose of the preservation of agriculture and open space within Sonoma County.

13.2 Condemnation. If all or any part of the Property is taken by exercise of the power of eminent domain or acquired by purchase in lieu of condemnation; whether by public, corporate, or other authority, so as to terminate this Easement in whole or in part, either GRANTOR or DISTRICT (or both, on such conditions as they may agree) may commence appropriate actions to recover the full value of the Property (or portion thereof) subject to the condemnation or in-lieu purchase and all direct or incidental damages resulting therefrom. Any expense incurred by GRANTOR or DISTRICT in any such action shall first be reimbursed out of the recovered proceeds; the remainder of such proceeds shall be divided between GRANTOR and DISTRICT in proportion to their interests in the Property, as established by Section 13.3.

13.3 Property Interest and Fair Market Value. This Easement constitutes a real property interest immediately vested in DISTRICT. For the purpose of this Section 13, the parties stipulate that, in the event of condemnation of the Property or any portion thereof, the fair market value of the Property for purposes of just compensation shall be determined as though this Easement did not exist. GRANTOR and DISTRICT shall share the compensation in proportion to their interests in the condemned Property, as agreed upon by them in writing or, in the absence of such an agreement, as ordered by the court in the action recovering the proceeds. In the apportionment of the proceeds from any eminent domain proceeding, an adjustment shall be made in GRANTOR's favor for any increase in value attributable to improvements made on

the Property after the date of this Easement, provided that such improvements were not made or funded by DISTRICT and further provided that such improvements do not constitute a breach of this Easement.

PART FIVE: MISCELLANEOUS

14. Approvals. Whenever in this Easement the consent or approval of one party is required as to an act of the other party, such consent or approval shall not be unreasonably withheld, conditioned or delayed.

15. Interpretation and Construction. To the extent that this Easement may be uncertain or ambiguous such that it requires interpretation or construction, then it shall be interpreted and construed in such a way that best promotes the Conservation Purpose of this Easement. In the event of a conflict between the Project Structure Map and the Baseline Site Map, the Baseline Site Map will control.

16. Easement to Bind Successors. The Easement herein granted shall be a burden upon and shall continue as a restrictive covenant and equitable servitude running in perpetuity with the Property and shall bind GRANTOR, GRANTOR's heirs, personal representatives, lessees, executors, successors, including purchasers at tax sales, assigns, and all persons claiming under them forever. The parties intend that this Easement shall benefit and burden, as the case may be, their respective successors, assigns, heirs, executors, administrators, agents, officers, employees, and all other persons claiming by or through them pursuant to the common and statutory law of the State of California. Further, the parties agree and intend that this Easement creates an easement encompassed within the meaning of the phrase "easements constituting servitudes upon or burdens to the property," as that phrase is used in California Revenue & Taxation Code section 3712(d), or any successor statute then in effect, such that a purchaser at a tax sale will take title to the Property subject to this Easement.

17. Subsequent Deeds and Leases. GRANTOR agrees that a clear reference to this Easement will be made in any subsequent deed, or other legal instrument, by means of which any interest in the Property (including a leasehold interest) is conveyed and that GRANTOR will provide a copy of this Easement to any party acquiring an interest in the Property from GRANTOR. GRANTOR further agrees to give written notice to DISTRICT of the conveyance of any interest in the Property at least thirty (30) days prior to any such conveyance. These obligations of GRANTOR shall not be construed as a waiver or relinquishment by DISTRICT of rights created in favor of DISTRICT by Section 16 of this Easement, and the failure of GRANTOR to perform any act required by this Section 17 shall not impair the validity of this Easement or limit its enforceability in any way.

18. Warranty of Ownership. GRANTOR warrants that it is the owner in fee simple of the Property, and that on the date it executed this Easement the Property is not subject to any liens or deeds of trust.

19. Notices.

19.1 Method of Delivery. Except as otherwise expressly provided herein, all notices, (including requests, demands, approvals or communications) under this Easement shall be in

writing and either served personally or sent by first class mail, postage prepaid, private courier or delivery service or telecopy addressed as follows:

 747 Mendocino Avenue, Suite 100
 Santa Rosa, CA 95401

Or to such other address as such party from time to time may designate by written notice pursuant to this Section 19.

19.2 Effective Date of Notice. Notice shall be deemed given for all purposes as follows:

- a) When mailed first class postage prepaid to the last address designated by the recipient pursuant to Section 19.1, notice is effective one business day following the date shown on the postmark of the envelope in which such notice is mailed or, in the event the postmark is not shown or available, then one business day following the date of mailing. A written declaration of mailing executed under penalty of perjury by the GRANTOR or DISTRICT or an officer or employee thereof shall be sufficient to constitute proof of mailing.
- b) When sent by fax to the last fax number of the recipient known to the party giving notice, notice is effective on receipt as long as (i) a duplicate copy of the notice is promptly given by first-class or certified mail or by overnight delivery or (ii) the receiving party delivers a written confirmation of receipt. Subject to the foregoing requirements, any notice given by fax shall be considered to have been received on the next business day if it is received after 5 p.m. (recipient's time) or on a non-business day.
- c) In all other instances, notice shall be deemed given at the time of actual delivery.

19.3 Refused or Undeliverable Notices. Any correctly addressed notice that is refused or undeliverable because of an act or omission of the party to be notified shall be considered to be effective as of the first date that the notice was refused or considered undeliverable by the postal authorities, messenger, or overnight delivery service.

20. Amendment. If circumstances arise under which an amendment or modification of this Easement would be appropriate, GRANTOR and DISTRICT shall be free to jointly amend this Easement, provided that any amendment shall be consistent with the Conservation Purpose of this Easement, shall ensure protection of the Conservation Values of the Property, shall not affect the Easement's perpetual duration and shall be consistent with Public Resources Code section 5540 and any successor statute then in effect. Any such amendment shall be in writing, executed by GRANTOR and DISTRICT, and recorded in the Office of the Sonoma County Recorder.

21. No Forfeiture. GRANTOR represents and warrants that nothing contained in this Easement shall result in a forfeiture or reversion of GRANTOR's title in any respect. If a forfeiture or reversion does occur, GRANTOR shall return, with interest, all consideration paid by DISTRICT for the acquisition of this Easement. If a forfeiture or reversion does occur, GRANTOR shall return, with interest calculated in accordance with the rate established pursuant to the next sentence, all consideration paid by DISTRICT for the acquisition of this Easement. The interest rate applicable to the amount owed to DISTRICT pursuant to this paragraph shall be the greater of (a) 5% or (b) the percentage change in the Consumer Price Index for All Urban Consumers (base year 1982-1984 = 100) for San Francisco Oakland and San Jose published by the United States Department of Labor, Bureau of Labor Statistics from the date the Easement is recorded to the date of DISTRICT's demand for reimbursement pursuant to this paragraph.

22. Assignment of Rights and Obligations. GRANTOR's rights and obligations under this Easement will be assigned to GRANTOR's successor-in-interest upon transfer of GRANTOR's interest in the Property to such successor, except that GRANTOR's liability for acts or omissions occurring prior to the transfer shall survive the transfer.

23. Enforceable Restriction. This Easement and each and every term contained herein is intended for the benefit of the public and constitutes an enforceable restriction pursuant to the provisions of Article XIII, section 8 of the California Constitution, California Public Resources Code section 5540, and California Revenue and Taxation Code section 421 *et seq.*, or any successor constitutional provisions or statutes then in effect.

24. Applicable Law and Forum. This Easement shall be construed and interpreted according to the substantive law of California, excluding the law of conflicts. Any action to enforce the provisions of this Easement or for the breach thereof shall be brought and tried in the County of Sonoma.

25. DISTRICT's General Manager. Wherever used herein, the term DISTRICT's General Manager, and any pronoun used in place thereof, shall mean and include the General Manager of DISTRICT and his or her duly authorized representatives.

26. Fees and Charges. DISTRICT shall have the right to establish and impose on GRANTOR reasonable fees and charges, including attorney's fees, on GRANTOR for inspections, approvals, and other services performed by or for DISTRICT pursuant to this Easement. Such fees and charges shall not exceed the reasonable costs of providing such services.

27. Entire Agreement. This instrument sets forth the entire agreement of the parties with respect to this Easement and supersedes all prior discussions, negotiations, understandings, or

agreements relating to this Easement, all of which are merged herein. No alteration or variation of this instrument shall be valid or binding unless contained in a written amendment prepared, executed and recorded in accordance with Section 20.

28. Severability. In the event any provision of this Easement is determined by the appropriate court to be void and unenforceable, all remaining terms and conditions shall remain valid and binding. If the application of any provision of this Easement is found to be invalid or unenforceable as to any particular person or circumstance, the application of such provisions to persons or circumstances, other than those as to which it is found to be invalid, shall not be affected thereby.

29. Counterparts. This Easement may be signed in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement.

30. Estoppel Certificates. DISTRICT shall, at any time during the existence of this Easement, upon not less than thirty (30) days' prior written notice from GRANTOR, execute and deliver to GRANTOR a statement in writing certifying that this Easement is unmodified and in full force and effect (or, if modified, stating the date of recordation of the respective amendment) and acknowledging that there is not, to DISTRICT's knowledge, any default by GRANTOR hereunder, or, if DISTRICT alleges a default by GRANTOR, specifying such default. DISTRICT's obligation to deliver the statement of certification is conditioned on GRANTOR's reimbursing DISTRICT for all costs and expenses reasonably and necessarily incurred in its preparation as determined by DISTRICT's General Manager.

31. No Liens, Encumbrances, or Conveyances. GRANTOR warrants that after it has executed this Easement, it will not record any lien, encumbrance, or otherwise convey any right, title, or interest in and to the Property until such time as this Easement has been accepted and recorded by DISTRICT.

32. Effective Date. This Easement shall be effective as of the date of its acceptance by DISTRICT pursuant to California Public Resources Code sections 5500 *et seq.*

IN WITNESS WHEREOF, GRANTOR and DISTRICT have executed this Easement this _____ day of _____, 20__.

RE: Acceptance into the 2018 Matching Grant Program

Dear Mr. Mikus:

We are pleased to inform you that on Tuesday, November 13, 2018, the Ag + Open Space Board of Directors accepted five projects into the 2018 Matching Grant Program ("Program"), including the AmeriCorps Trail Project ("Project"). This letter acknowledges acceptance of your Project into the Program with a funding recommendation in an amount not to exceed \$126,943 to fund development of new trails and access points on the City's property. Amounts actually eligible for reimbursement are set forth in the Program Guidelines and will be subject to all of the terms and conditions of the Matching Grant Agreement that will be required in order to disperse funds. Program participants are strongly cautioned that any funds expended prior to execution of the Matching Grant Agreement may not be eligible for reimbursement.

All contracts and real property instruments required by the Matching Grant Program must be taken to the District's Board of Directors for approval. Jen Kuszmar has been assigned to your project and will contact you to set up a kick off meeting to begin working on these requirements. Jen can be contacted at jennifer.kuszmar@sonoma-county.org or 707/565.7266.

Per the District's Matching Grant Program guidelines, the District's grant and all matching funds must be expended by November 13, 2023. The Project, as proposed in the grant application, including the provision of public access, must be implemented by this same date.

We look forward to working with you on this exciting effort to benefit the residents and city of Sebastopol and greater Sonoma County!

Regards,

William J. Keene, General Manager
