Subject: Public Comment 9/21/21 RE: Planning Commission

Dear Council Members,

I hope you are well.

I read Direction Svanstrom's staff report for Agenda Item 8, Discussion of Geographical Boundaries for Planning Commission.

I was the alternate on the Planning Commission prior to the elimination of the position.

To clarify, I did not resign. My position as the alternate was eliminated by the Council before my term expired.

The Alternative Position was eliminated in March 2021 by Council. It would have been impossible for me to resign from a position that did not exist and had been eliminated.

I hope that the document can be updated to reflect this.

Best,
Kate Haug
