Mary Gourley: Sebastopol Assistant City Manager

Dear Mary: Please include my written comments in the attachment below concerning sanitation and waste on Morris Street and parking on Laguna Parkway for "Items Not on the Agenda" for tonight's (10-5-21) City Council meeting, for submission to the entire City Council prior to the meeting and inclusion as part of the record of the meeting. These are separate from my earlier submitted comments for Agenda Item 8: Bike Lanes and Item 10: Unhoused Committee.
