Unhoused Issue

#### QUESTIONS

Is this a temporary housing situation? Time limits?

Does this program have minimum and maximums? If there are only 2-3 RV's will it be canceled?

Is there an annual, quarterly or monthly public report generated by the manager?

What will the process be to evict a tenant?

Impact on the police department? Security on site?

Quarterly review to continue the program? Manager evaluation and termination procedures?

#### SUGGESTIONS

Tenant payment for space ---reimbursed monthly for keeping the site clean.

Access to toilets/showers – nominal fees – reimbursed if area kept clean

#### MUSTS

Morris St and surrounding streets – NO OVERNIGHT PARKING

No after hours access – 8 PM? (Except emergencies)

Respectfully submitted--
