Subject: Homeless shelter next to our school
Date: Tuesday, November 30, 2021 2:00:25 PM

Hi there

This is a terrible and dangerous idea. How could anyone think that this is a safe option for placement of a homeless shelter! Very very against it and I will be writing to everyone I can to let them know I am extremely opposed to the idea.

Sincerely

Sarah mcgaffey (mother to 4 grader and kindergartener next year)
