---

Dear Mary,

I don't support the temporary RV Village at 845 Gravenstein Hwy North. The Lucky's parking lot where Rite Aid used to be is a much better location and could be converted to housing instead of the vacant store that has been there for years.

The city and Sonoma county in general ought to adopt a more holistic approach, this is simply a band aid that is not address the scale or breadth of the issue at hand.

I don't think HWY 116 is a healthy location for an RV Village and especially not next to a liquor store.

Kind Regards,  
Daniel Swid
