Hi,

A lot of thought has gone into where this RV Village should be located and it is not easy to find a place that welcomes it.

There are many people who are struggling in our community and this would add some stability and support to a group of people who could truly benefit from it.

I have a kindergarten student and an 8th grade student who attend Sebastopol Charter School and I am in favor of the RV Village being housed at 845 Gravenstein Hwy North.

Sincerely,

Carrie King
