Mary I am sorry this is late but if you could get this to the council members I would appreciate it.

Dear Council Members

As a community member for 34 years I would like to let you know that I would absolutely support any opposition to the present plan to add Rohnert Park to the 5th District. It seems those who are working on the new plan are more worried about numbers of constituents in the district rather than the make up (culture, rural vs. city etc.). Including this urban area will than make it difficult for the voices from the west county to be heard

Thank You for taking the time to discuss this,

Mary Lou Schmidt
