Subject: Message from Bridgett - Sebastopol Resident

Dear City Council,

I just received a call from Bridgett with a message for the City Council – she is a resident of Sebastopol on [REDACTED] drive. She wishes to express that she doesn't believe it makes sense for the City to invest in water infrastructure (new water meters) at this time as this would raise rates on the cities residents and businesses at a time when they are already struggling financially.

Thank You,
