Subject: 17. Public hearing – First Reading and Introduction of Ordinance to revise the Zoning Ordinance to prohibit new Gas Stations in Sebastopol"

Dear Sebastopol City Council:

I am in full support of the revision of Sebastopol zoning ordinance to prohibit the building or expansion of gas stations in Sebastopol. With our planet already plunging into the abyss of global climate change, this is the least we can do.

Thank you for all your hard work on this and other issues. I am so grateful to live in such a progressive-minded city.

Sincerely,
Pamela Gentry
