Subject: 17. Public hearing – First Reading and Introduction of Ordinance to revise the Zoning Ordinance to prohibit new Gas Stations in Sebastopol"
Date: Monday, April 04, 2022 11:07:57 AM

Hello,

I am one of the Sebastopol residents that want to encourage the City Council to vote for a ban on new gas stations or expanding current ones. We can be leaders in helping raise awareness of the dangers of fossil fuels and help pave the way for getting less dependent on them.

Thank you.
