Subject: Agenda Item 10 - Save Polley Field
Date: Tuesday, February 01, 2022 9:47:02 AM

Dear Honorable Mayor and City Council,

My name is Landon Avila and I'm a freshman at West County High School. I played in Sebastopol Little League from Tball through Juniors which was my last year before high school. Last year I got to umpire little league games at Polley and I plan to umpire this year.

Polley Field is special as it's only 1 of 2 fields in Sonoma County that has lights. I hit my first home run at Polley Field, I umpired my first little league game at Polley Field, and I plan to watch my younger brother play his first game at Polley Field. If you take away Polley Field, you take away our little league.

Sincerely,
Landon Avila
