---

Dear City of Sebastopol,

I'm in full support of **City Council Agenda Item 17. Public hearing – First Reading and Introduction of Ordinance to revise the Zoning Ordinance to prohibit new Gas Stations in Sebastopol.**

We are at a critical juncture in the world and need to wean off fossil fuels as quickly and humanely as possible.

Let's install charging stations for electric cars instead!

Please advance and then pass **City Council Agenda Item 17. Public hearing – First Reading and Introduction of Ordinance to revise the Zoning Ordinance to prohibit new Gas Stations in Sebastopol.**

**Thank you.**

Sincerely,

**Julia Whitty**
