---

Dear Councilmembers,

Our young family lives in Sebastopol and always enjoys going to the Gravenstein Apple Fair. We all love the animals, music and food, and we appreciate the opportunity to expose our children to the agricultural heritage of Sonoma County.

Please grant our city's full support to the fair in every way possible. We are so lucky that it takes place in Sebastopol and brings out local friends and neighbors as well as visitors who enjoy the fair and help to boost our local businesses and economy.

Thank you,

Emily, Tyler, Jackson and Parker Okie
