PUBLIC COMMENT FOR ITEMS NOT ON THE AGENDA:

Speakers are allowed to speak for a maximum of three minutes so that all speakers have an opportunity to address the City Council.

Power point or visual presentations for public comment shall not be permitted unless approved by the Agenda Review Committee two weeks prior to the requested meeting date.

Speakers may not "yield" a portion of their allotted time to others.

The Mayor has the authority to limit or extend the time allowed for speakers dependent on the number of speakers in attendance.

The Mayor can poll the members of the public for an indication of the number of people wishing to speak, then call on individuals to speak.

It is the goal of the Council to conclude the public comments portion of the agenda within 20 minutes. If the public comment period exceeds twenty minutes, the presiding officer, typically the Mayor, reserves the right to reduce the time per speaker or carry over public comments to after all business items are completed.

The City Clerk will monitor the time for public comments and inform the speakers when the time limitation has been reached.

The Mayor could survey the members of the public, as appropriate, to move agenda items up or back to address the members of the public items of concern.

Public participation is encouraged on all public agenda items.

Council and staff will treat participants and each other with courtesy. Derogatory or sarcastic comments are inappropriate.

The public will likewise be encouraged by the Mayor to maintain meeting decorum.

In Council meetings when citizens are agitated, the Mayor may call a short recess to calm the situation.

If a member of the public is unable to attend the Council meeting, written communications may be sent to the City Clerk by e-mail or by regular mail.

Communications received after distribution of the agenda packet will be made available to the Council at/or as soon after the meeting.

STATEMENTS OF CONFLICTS OF INTEREST: Conflicts of interest may arise in situations where a public official deliberating towards a decision, has an actual or potential financial interest in the matter before the Council. In accordance with state law, an actual conflict of interest is one that would be to the private financial benefit of a public official, a relative or a business with which the Councilmember is associated. A potential conflict of interest is one that could be to the private financial benefit of a Councilmember, a relative or a business with which the Councilmember is associated. A Councilmember must publicly announce potential and actual conflicts of interest, and, in the case of actual conflict of interest, must refrain from participating in debate on the issue or from voting on the issue and must remove themselves from the dais.

CONSENT CALENDAR: The consent agenda consists of items that are routine in nature and do not require additional discussion by the City Council or have been reviewed by the City Council previously. These items may be approved by one motion without discussion unless a member of the City Council requests that the item be taken off the consent calendar.

The Mayor will read the consent calendar items; ask if a Councilmember wishes to remove one or more items from the consent calendar; and then open public comment to the members of the public in attendance. At this time, a member of the public may speak for up to three minutes on the entire consent calendar and request at that time that an agenda item or items be removed for discussion.

If an item or items are removed from the consent calendar, the item shall be placed at the end of the regular agenda items unless otherwise determined by the Mayor or Mayor Pro Tern.

Councilmembers may comment on Consent Calendar items or ask for minor clarifications without the need for pulling the item for separate consideration. Items requiring deliberation should be pulled for separate consideration and shall be placed at the end of the regular agenda items unless otherwise determined by the Mayor or Mayor Pro Tern.
