**Subject:** Parking Restrictions for Morris Street  
**Date:** Tuesday, January 18, 2022 1:06:27 PM

---

Greetings Mary,

I am writing on behalf of the SCCC leadership to address considerations to restrict parking on Morris Street. As we have shared in the past, the SCCC has been impacted negatively with break ins, damage, and challenges with people screaming or urinating on the property. We believe parking restrictions will help to minimize the impacts on the SCCC, and we give it our full support.

Thank you.
