**WHEREAS**, the proposed action is exempt from the requirements of the California Environmental Quality Act (CEQA) in accordance with CEQA Guidelines Section 15378(b)(5), in that adopting a Resolution authorizing the City Manager to conduct teleconferenced public meetings for all the City’s Committees, Commissions, and Boards does not meet CEQA's definition of a “project,” because the action does not have the potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment, and because the action constitutes organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment. and is exempt pursuant to Section 15269(c) of the CEQA Guidelines, as specific actions necessary to prevent or mitigate an emergency; and

**WHEREAS**, the City Council has considered all information related to this matter, as presented at the public meetings of the City Council identified herein, including any supporting reports by City Staff, and any information provided during public meetings.
