

City of Sebastopol Design Review Board Staff Report

Meeting Date: 11/16/2022

Agenda Item: 7A

To: Design Review Board

From: John Jay, Associate Planner

Subject: Façade Improvement Program – Rebate Application Review

Introduction:

The Façade Improvement Program provides a rebate for expenses incurred on new exterior property improvements made to commercial or industrial buildings within the City of Sebastopol. The rebate can be applied to long term exterior improvements such as painting, new signage, awnings, landscaping, exterior lighting, and local permit fees.

The City has recently revised the Façade Improvement Program. The new revisions include the following:

- Increase the City contribution to 75% up to \$2,500 (previously 50% up to \$2500).
- Applications will be batched and reviewed and approved by the Design Review Board on a quarterly basis.
- Property owners and/or tenant spaces can apply every three fiscal years.
- Projects currently in process are eligible to apply for the rebate.
- If a property is sold the new property owner has the option to maintain the improvements and not repay the city a prorated amount.

At the beginning of the new fiscal year, the board has a fund of \$20,000 to allocate to Façade Improvement applications.

Project Description:

The applicant would like to improve the building by updating and replacing the 30-year-old front door.

The total cost of the project is estimated at \$5,911 as noted within the application. The Façade Improvement Program designates either 75% of the total cost and not to exceed \$2,500. As proposed 75% of the cost of the project would be \$3,750 thus qualifying for the maximum amount of \$2,500

Analysis:

Should the proposed façade improvement program request be approved the City would be allocating \$2,500 out of the remaining \$10,000 fund. This would leave \$7,500 remaining in the fund for the rest of the fiscal year.

Should the Board approve application the recipient will be provided signs advertising the FIP

on their building.

Recommendation:

Staff recommends that the Board review the application, provide feedback and guidance to the applicants, and approve the projects for the Façade Improvement Program as the Board sees fit.

CITY OF SEBASTOPOL
FAÇADE IMPROVEMENT REBATE PROGRAM

Dear Business/Building Owner:

The City of Sebastopol offers a program aimed at encouraging local businesses and property owners to improve commercial and industrial buildings. Upgrades, maintenance, and aesthetic enhancements will benefit the entire community and enhance the local economy.

With these objectives in mind, subject to funding availability, the Sebastopol Façade Improvement Program will provide a *rebate* for expenses incurred on new exterior property improvements made to commercial or industrial buildings within the City of Sebastopol.

The program will reimburse a property owner or tenant for 75% of new improvements up to \$2,500. Eligible improvements include painting, new signage, awnings, landscaping, exterior lighting, and local permit fees. Façade building improvements (new windows, changing materials, etc.) are also eligible; however, note that larger changes may require Design Review approval as well.

The objective of the Façade Improvement Program is to provide an incentive to property owners and/or tenants to enhance the physical appearance of buildings and landscapes. This public/private partnership investment is intended to leverage private capital with public funds for greater community economic benefit.

To apply for the program a building owner or tenant, with the owner's approval, should fill out the attached application and include bid estimates for the proposed improvement(s). The Planning Department then reviews the submitted application for completeness and batches them to be reviewed on a quarterly basis by the Design Review Board for approval. Deadlines for applications for Fiscal Year 2021-2022 are:

- January 18, 2022
- April 19, 2022

It is anticipated that the Board will hear the Façade Improvement Submittals on Feb 16, 2022 (Jan applications) and May 4 (April applications).

Note, funding is limited based on the adopted City Budget. Funding may be entirely allotted in early rounds.

Applications are required to be submitted a minimum of two (2) weeks before the scheduled Design Review Board Meeting. If an application is submitted after the quarterly deadline it may be pushed to the following meeting.

For approved projects, work must be done by June 30, 2021, and requests for reimbursement must be made in the same Fiscal Year as when the project was approved, no later than July 1, 2021.

If you would like to apply for or discuss the program in more detail, please contact Kari Svanstrom, Planning Director at (707) 823-6167 or ksvanstrom@cityofsebastopol.org.

Sincerely,

Kari Svanstrom
Planning Director
