Subject: PLEASE SUPPORT the Surveillance Technology Ordinance

Dear Councilmembers and Chief Nelson -

I write to urge you to support the Surveillance Technology and Community Safety Ordinance proposed by the ACLU of Sonoma County. The ordinance is the result of a collaborative process with the local ACLU chapter and Sebastopol Police Chief Ron Nelson. Sebastopol is setting a fine example of policing that honors and supports the constitutional rights of community members. Your support of this matter makes a real difference and helps build trust between SPD and the community.

Sincerely,

Jerry Threet
