Good morning

Thank you for your comments. Your email has been received, will be forwarded to the City Council and appropriate City Staff, and made a part of the public record.

Due to the COVID-19 Shelter in Place Orders by the County of Sonoma and State of California, City Administration Offices are closed to the public; but City staff is answering phones and emails and making in person appointments when needed. Mary Gourley

Subject: Car wash.

As a long time business owner and resident of Sebastopol I would to extend my support for the proposed full service car wash at the Bennetti auto service location.

As a long term patron of Mark and Brad I know that the project has been well thought through and will be implemented with a high degree of care for all concerns associated with the project.

Bennetti's Tire Service has always had a high level of professional integrity in their business practices In our community.

I believe there is a definite need for the project in our community. I for one have my cars washed in Santa Rosa on a regular basis. Keeping that money in Sebastopol would be a definite benefit and convenience.

Lastly the design seems to be in keeping with our community aesthetics.

Hopefully the City of Sebastopol will quickly approve the project

Regards
