Subject: Car wash at Benedetti tire location

Good day, I am a longtime customer of Benedetti tire. I take my truck there for all my vehicle needs, especially tires. The car wash is a fantastic addition to the services offered at this location. I can wash my truck at a state of the art facility without driving anywhere. How convenient after having my truck serviced with oil change ,brakes , tire rotation or new tires. This facility will help the local environment. No waste of water, or runoff into our waterways with pollutants. and other chemicals. A one stop shop. Sure would be great for everybody. Thanks for your time to listen and consideration of this project. Peter Henderson
