Good morning

Thank you for your comments. Your email has been received, will be forwarded to the City Council and appropriate City Staff, and made a part of the public record.

Due to the COVID-19 Shelter in Place Orders by the County of Sonoma and State of California, City Administration Offices are closed to the public; but City staff is answering phones and emails and making in person appointments when needed. [Mary Gourley](#)

[REDACTED] wash

Sebastopol city council, I am emailing you in support of Mark Reece and Benedetti Tire's proposal of a modern day car wash. This car wash will have up to date technology and goes along with being environmentally adaptable to the city. The location is right for this type of business. As a long time property owner, business owner and many years of supporting the city of Sebastopol I urge you to approve this project.

This car wash will also help customers to stay in their community and support the local economy.

Sincerely Brad Benedetti
