Subject: Smart Meters
Date: Sunday, September 18, 2022 10:19:33 AM

Dear City Council Members, I am writing to ask you to please save the analog meters in our city and do what is in your power to defend, uphold and renew the smart meter ban to protect our public health and safety. I am a senior at Burbank Heights and Orchards and don't want Smart Meters to be installed in our community. Thank you in advance for listening to our request and acting on it.

Sincerely,
Rose Diamond
