Subject: smart meters
Date: Monday, September 05, 2022 11:09:20 PM

Please, please, please save the analog meters!!! I am very sensitive to EMFs, they make me sick. I moved here to get away from them. I know many other elders in town who are also sensitive and in precarious health. Most of us live in apartments, so we can't opt out.

Thank you,

Vidya Frazier
