Hard for me to imagine adding a bike lane to Bodega when the traffic is so fast and heavy already. I live at Burbank Heights and although the signing is for 25 mph, drivers rush through at 35 and 40 and sometimes faster. We used to have a traffic police presence but that was many years ago.

Dian,

This project specifically refers to: Bodega Avenue Bike Lanes and Rehabilitation Phase 1, from High Street to Robinson Road. The work includes pavement rehabilitation/overlay, ADA curb ramps, re-striping and adding bike from approximately Dutton/Jewell to Robinson Road.

Re: 10. Approval of plans and specifications and authorization to bid the Bodega Avenue Phase 1 Project #CIP 0513-74.09 and Finding the Project Exempt under CEQA Section 15301(c), 15304(f) and 15304(h)  
(Responsible Department: Engineering/City Engineer)

What project does this item refer to specifically? What is the location of the project? Is this the project across from Robinson Road on Bodega?
