Subject: #4 consent item ceasefire resolution SUPPORT
Date: Tuesday, February 20, 2024 3:50:51 PM

Hi,

I am writing to you as a lifelong resident of Sebastopol and local massage therapy business owner to advocate for the ceasefire resolution. The genocide in Gaza must stop, as as a town whose values are based in peace we must stand up and and join over 100 municipalities nationwide callin to end the siege on Gaza. Please keep item 4, the ceasefire resolutio, on the consent calendar! We can't as a town stand divided when 28,000 civilians have been killed - and a majority of them being women and children. There are millions starving, sick, and unhoused now. Please please put this item back on the agenda - it is the very least we can do as a town when so many are suffering and dying.

Kind regards,
Rose
