CITY COUNCIL
AGENDA ITEM REPORT**

Meeting: January 16, 2024
 To: Honorable City Councilmembers
 From: Mayor Rich
 Subject: Appointments for City Council and City Staff Committee Assignments
 Recommendation: That the City Council Discuss the Recommendations from the Mayor for City Council and City Staff Committee Assignments with City Council Ratification/Approval of Recommendations
 Funding: Currently Budgeted: Yes No Not Applicable
 Account Code: N/A

INTRODUCTION/PURPOSE: This item is to request that City Council Discuss the Recommendations from the Mayor for City Council and City Staff Committee Assignments with City Council Ratification/Approval of Recommendations. This agenda item could also include amendment, deletion or creation of committees upon Council consideration and approval.

BACKGROUND:

Currently, each year, the City Council makes appointments to the various committees. Committees include:

- 1) City membership in a separate agency where the representative is a member of the governing board;
- 2) the City representative is a member of an advisory committee that makes recommendations to another public agency;
- 3) a Council member or Staff member is appointed as a liaison to a special committee;
- 4) other miscellaneous committees; and
- 5) Council created Ad Hoc or Standing Committees or Subcommittees

Prior to December 2022, the Council as a whole reviewed and discussed the Committee Assignments for the upcoming Calendar Year. The Council was provided a list of Committees and the City Council reviewed each committee asking for volunteers or those interested to serve on the committee(s). Once everyone had submitted their names, Councilmembers interested would provide comments and advocate for their appointment to a committee; and then the Council would discuss the appointment to the committee. After discussion the Council would recommend the Councilmember to the committee.

In December 2022, then Mayor Hinton proposed and the City Council approved a pilot program for a new process for City Council and City Staff Committee Assignments. It was felt that the new process would streamline the Committee Assignment process and allow individual Councilmembers to put forward their interests in which committees to the Mayor who will make recommendations to the full City Council.

The process currently is as follows:

Upon Notification of Certification of the Election or by December 15th of each year, the Mayor will send to all Councilmembers and Councilmember Elects, a copy of the Current City Council and City Staff Committee Assignments as well as an application that a Councilmember would fill out and return to the Mayor for consideration. A separate application would be required for each Committee that a Councilmember is interested in.

The Mayor would then review the applications submitted, speak with the Councilmember to obtain any additional information on their interest to serve on the committee, and provide a recommendation at the first meeting in January of each year of Council Committee Assignments. The Council would then be asked to approve/ratify the recommendations of the Mayor.

DISCUSSION:

City staff distributed the applications to the City Councilmembers and all applications received were forwarded to the Mayor for consideration/recommendation. The applications are attached to this report for reference and information as Attachment B.

Mayor Rich has reviewed the applications, reviewed the committee assignments and is making recommendations as noted in Attachment A. If a staff member is required for specific outside agency committees, the City Manager has proposed Primary and, if needed, an alternate for that committee.

For Standing or Ad Hoc Council Committees, the City Manager will determine staff member support.

City Council / General Plan Goals:

This item reflects the City Council Goals and Values as listed below:

The City of Sebastopol is committed to maintaining a high quality of life for current and future members of our community, through excellent public service and careful stewardship of its financial, human, and natural resources.

Goal 5: Provide Open and Responsive Municipal Government Leadership

Action CHW 5c: Practice an open-door policy in City programs, and actively engage and encourage participation from all individuals regardless of ethnicity, race, religion, class, disability, sexual orientation, and gender.

As of the writing of this staff report, the City has not received any public comment. However, if staff receives public comments from interested parties following the publication and distribution of this staff report such comments will be provided to the City Council as supplemental materials before or at the meeting. In addition, public comments may be offered during the "Public Comment" portion of the City Council discussion of this item.

PUBLIC NOTICE:

This item was noticed in accordance with the Ralph M. Brown Act and was available for public viewing and review at least 72 hours prior to the scheduled meeting date. Information about the agenda item is provided on the City website (link to the City Council meeting page) is also disseminated via the City's Constant Contact, posted to the City's website and posted to the Display Board at City Hall).

FISCAL IMPACT:

There is no impact with this action tonight; but may require staff time for attendance at meetings, to include research, preparation of agenda items, if any, that would be required. It is unknown at this time the number of hours of staff time that would be required for the various committees but staff support would be determined by the City Manager.

RECOMMENDATION: That the City Council Discuss the Recommendations from the Mayor for City Council and City Staff Committee Assignments with City Council Ratification/Approval of Recommendations.

**CITY COUNCIL APPLICATION FOR
CITY COUNCIL COMMITTEE ASSIGNMENTS**

2024 Committee Preference

City Councilmember Name: Sandra Maurer Date: 12/07/2023

Please consider me to serve as a member of the following Committees:

Committee Name: Zero Waste Sonoma

Request to be Primary or Alternate Liaison/Representative

Reason for Interest for this Committee: I am currently serving on the Zero Waste Sonoma board. I have enjoyed this position, and would be happy to continue. However, in January 2023 both Mayor Rich and I wanted this position and she graciously ceded her interest to allow me to have it. I want Mayor Rich to have this role- if she wants it- since she has publicly stated she will not run again for council and she loved this board. I could serve as her alternate.

Committee Name: Sonoma Clean Power (SCP)

Request to be Alternate

Reason for Interest for this Committee: I am currently the alternate for SCP. I could continue in this position. I have advocated for safer gas and electric utility service in California since 2009. I have worked on proceedings at the California Public Utilities Commission (CPUC). I helped win a smart meter opt-out program for all California Investor Owned Utilities (IOU's). I understand the importance of delivering safe and reliable utility services at reasonable rates. I believe I have a background of knowledge to be helpful.

Committee Name: Legislative Committee

Request to be Primary Liaison/Representative

Reason for Interest for this Committee: I have worked on issues at the California legislative level. I have read, tracked bills, and written letters of support and opposition to bills. I have gone to Sacramento, met with representatives and spoken to committees. I feel strongly about the need to protect local control. I'd like to serve on this committee as a primary liaison.

Committee Name: Sebastopol Center for the Arts

Request to be Primary Liaison/Representative

Reason for Interest for this Committee: I have a strong background in the Arts. I have a degree in Art from SSU. I am a member of the Art Workshop of Western Sonoma County. As an artist I feel I would understand and appreciate the work of Center for the Arts, and will want to find ways to support and enhance their efforts. I believe arts and culture are essential to community wellness.

Committee Name: Laguna Stakeholders Committee

Request to be Primary Liaison/Representative

Reason for Interest for this Committee: The Laguna Stakeholders Committee isn't meeting anymore but I would like to continue, even though I only met with the Laguna Foundation director once. The Laguna is an environmental treasure for our city. I hope to find opportunities to support continued public access, education, appreciation for and protection of this important internationally recognized wetland.

Committee Name: Sebastopol Community Cultural Center

Request to be Alternate

Reason for Interest for this Committee: I would like to continue as the alternate for the Sebastopol Community Cultural Center. I believe arts and culture are essential to community wellness.

Committee Name: Climate Action Committee

Request to be Primary Liaison/Representative

Reason for Interest for this Committee: I am currently serving on the Climate Action Committee. I have a strong interest in environmental protections. There are many ways to address the threat of climate change. I have been working on a Rights of Nature Ordinance. I would like to continue on this committee.

Committee Name: Recology Committee

Request to be Primary Liaison/Representative

Reason for Interest for this Committee: I was appointed to the Recology committee and I would like to continue to serve on it.

Committee Name: Budget Committee

Request to be Primary Liaison/Representative

Reason for Interest for this Committee: I was recently appointed to the budget committee and I would like to continue to serve on it.
