Hello,

I'm reaching out to let you know that the community center is a valued space for many Sebastopol residents. There are instructors of the dance, martial arts, music, etc. classes that depend on a space to teach, and those who are looking to attend those classes that also depend on that space to do so. I was told the community center was at risk of being shut down, and wanted to share my concern. Thank you for your time!

Kind regards,
Lincoln Griffith
