2. We conducted an encampment enforcement sweep of the Laguna and Morris Street marsh areas. This went well with no issues noted. This sweep was done in collaboration with DPW and Christian from WCCS. All people that were residing in the encampments were notified numerous times in advance and were cooperative with the action.
3. The residents on Florence Street held their annual Halloween street closure and the Kiwanis club held an event simultaneously at Ives Park. Both events were very successful without any issues and the attendance estimated at over 5,00 people between the two events.
