Public Works Department Monthly Activity Report

Assistant Superintendent, Erik Billing

ebilling@cityofsebastopol.gov

Water

1. Coordinated the annual testing of the Scadia alarm system.
2. Calibrated flow meters on the wells.

Sewer

1. Remove and replaced a failing lower lateral on Pitt Ave.

Parks

1. Removed seasonal bridge from the Laguna.
2. Coordinated with Hessel Church on a volunteer serve day in which the city supplied materials, and they planted plants in the plaza and removed stickers. As well as spread bark in Ives playground, painted picnic tables and fences as well as painted over graffiti.
3. Coordinated with Rotary Clubs to remove and replace fencing around Libby duck pond.
4. Coordinated with Police Department on unhoused encampments clean up.

Government Buildings

1. Coordinated with West County Museum staff to repair and repaint sign structures to be mounted on the roof.

Downtown

1. Cleaned up downtown by pressure washing sidewalks, garbage cans and benches.
2. Pressure washed exterior building of the restrooms and Gazebo in the plaza. As well as pressure washed the interior surface of the plaza with hot water.
3. Freshened up the Gazebo with a new coat of paint.
