Dear City Council of Sebastopol

Greetings!!!

My name is Ms. In Hui Lee. Grandmother of two.
I live in Santa Rosa where i wish to see our City Council pass Ceasefire Now Resolutio, too.

I applaude the Sebastopol City Council for considering Ceasefire Now for Palestine.

I love Peace Plaza in your city and general atmosphere that permeates peaceful life.

Please help pass Ceasefire Resolution!!!

The situation in Palestine is dire and we all need to show our humanity by supporting Peace and humanitarian aids for Palestine.

Thank you.

Sincerely,

In Hui Lee
