Subject: Funding for Sebastopol Cultural Community Center
Date: Wednesday, July 10, 2024 12:42:03 PM

Hello City Council,

It is with deep hope that I ask that the SCCC continue to receive funding so that all the wonderful teachers, organizers, and facilitators may continue to make affordable offerings there. I have been transformed by my experience taking a workshop in that beautiful space and for it to receive funding I know really makes a difference in people's lives.

Thank you for considering,
Molly
