Subject: In Support of the Ceasefire Resolution
Date: Tuesday, February 20, 2024 4:48:55 PM

Hi there,

My name is Nina and I moved to Sebastopol shortly after graduating college to work for a local winemaker. Spending my twenties in this town has brought me deep community, nourishment of all flavors, and a commitment to active citizenship on so many levels. I am so grateful!

I am writing to show my support for a ceasefire resolution. I implore you to align with constituents like me who are asking you to join over 100 municipalities nationwide in calling for an end to the siege on Gaza. The broadcasted killing of innocent civilians, so many of them women and children, is too massive for any community (especially one with so many bumper stickers about coexistence) to ignore. I invite you to support a resolution so that we may walk towards peace together in these tragic times.

Sending joy,
Nina
