Sebastopol (Peacetown) council members,

I am Louisa Ernst and I have lived at 7044 Fellers Ln in Sebastopol for over 20 years. I am owner operator of my landscape design business Greenspace most of my work is in Sebastopol and west county. I have raised both my kids here and feel very connected to this community. For that reason I ask that you all, the representatives of this community, to grant the following request.

I am writing to ask that you Keep Item 4, the Ceasefire Resolution, on the consent calendar and that you listen to your Sebastopol constituents and West County residents. Don't let outside agitators strong-arm the City Council into rejecting the Ceasefire Resolution.

Peace unifies, it does not divide, stand for humanity, call for a permanent Ceasefire end the killing of all innocent civilians, and bring home the Israeli hostages. Please consider exactly what silence and inaction represents. The proposed resolution is balanced. It calls for an end to all killing! Please join over 50 municipalities nationwide calling for an end to the siege on Gaza and the West bank.

In supporting the ceasefire resolution know that you are supporting international law, working toward prevention of disability, disease, starvation, injury and or death of innocents, destruction of family and culture.

All life is sacred and deserving of peace.

Thank you,

Louisa Ernst
