**Subject:** Item#4 consent item Ceasefire Resolution- SUPPORT  
**Date:** Monday, February 19, 2024 3:32:26 PM

---

I'm writing strongly in support of passing the ceasefire resolution on the consent agenda. The resolution pushes for peace for all, in line with Sebastopol's reputation as peacetown. Gaza's population is half under the age of 18 and we've already lost more than 28,000 people including thousands of children. Be brave and stand on the right side of history; your constituents will stand with you.
