Dear City Council Members,

I strongly urge you to remove Item 4 from the consent calendar. I also urge you to vote NO against a one-sided ceasefire resolution, which does not condemn the unprovoked October 7 attack on Israelis and which does not hold Hamas accountable for the murder, rape, and other violence against innocent people. Such resolutions serve merely to encourage hate speech and foster unsafe environments.

Thank you for your attention and consideration,
Mirka Knaster
(Sonoma County resident)
