I am George Flynn, a retired real estate broker who practiced in Sebastopol, a long time Sonoma County resident and current Board member of B'nai Israel Jewish Center. I am asking that you remove item 4 from the consent calendar and that going forward you do not bring and oppose resolutions on the Israel-Hamas war. Your/our time is better served addressing actual local issues. We respect concerns for international political issues though not such that they replace interests and promote divisions in our community. Thank you, George Flynn
