Subject: Regarding Cease Fire Resolution
Date: Tuesday, February 20, 2024 5:07:12 PM

My name is Ethan and I am a teacher in Sebastopol.

I strongly support the ceasefire in Israel and Gaza. I do not condone the deaths of children let alone anyone when the simple solution is to stop, protect yourself, and talk to your enemy.

We should not need to understand a conflict to know that killing is wrong.

Thank you

Ethan
