Subject: Request for Calling a Cease Fire AND ATTACK BY HAMAS A TERRORIST ORGANIZATION:
Date: Thursday, February 15, 2024 4:56:40 PM

I worked as American Red Cross Disaster Worker at Ground Zero World Trade Center and help families that had loved ones perish and suffer the consequences of terrorism.

If Sebastopol approves of a Cease Fire Resolution, there must be wording that balance condemnation of the terrorist attack by Hamas.

Sincerely,
Mel Goldberg
