Hello,

My name is Julia Keeler, I live in Sebastopol on Gold Ridge Road. I work as a chef and am in 100% support of the Ceasefire Resolution.

As someone who has grown up in Sebastopol, I have always been proud of the values of peace, compassion, and justice that I believed this town represented.

I truly hope that this town upholds moral integrity, and passes the ceasefire resolution. This is a humanitarian crisis, and will go on in history as such. There are countless innocent lives on the other side of these political resolutions-- and if Sebastopol, 'Peace Town', cannot call a ceasefire, then I am truly heartbroken for our humanity.

Thank you,

Julia Keeler
