**WHEREAS**, the County wishes to contract with Contractor for the continued permitting, construction, and operation of these County Facilities, for construction of a new materials recovery facility within the Central Transfer Station building (which, when constructed, shall become part of the "County Facilities") and, ultimately, for the closure and post-closure of all of the Central Landfill in accordance with Applicable Law; and

**WHEREAS**, on March 14, 2013, the County of Sonoma obtained valid Waste Discharge Requirements No. R1-2013-0003 from the North Coast Regional Water Quality Control Board for operation, corrective action, new construction, and closure of the Central Landfill; and

**WHEREAS**, the Contractor has the expertise and resources to undertake these obligations requested by the County and is willing to do so, provided that the County and a sufficient number of cities in the County commit the delivery of their Waste to Contractor and the County Facilities; and

**WHEREAS**, on April 23, 2013, Contractor entered into an agreement with the County of Sonoma entitled "Agreement for Operation of the Central Landfill and County Transfer Stations," ("County Operations Agreement"), whereby Contractor has agreed, subject to various conditions including Contractor receiving adequate Waste delivery commitments from the cities in the County, to operate the Central Landfill, Central Transfer Station, Materials Recovery Facility and the County's other Transfer Stations to provide for the Waste Disposal needs of the communities in Sonoma County; and

**WHEREAS**, in order to satisfy a condition to the effectiveness of the County Operations Agreement and to obtain the benefits of Contractor's performance thereunder, the City has agreed to deliver its Committed City Waste, which is hereinafter defined, to the Contractor and the County Facilities for a minimum period of twenty five (25) years, subject to the terms and conditions in this Waste Delivery Agreement; and

**WHEREAS**, the effectiveness of this Waste Delivery Agreement is likewise contingent on the execution of the Amended County Operations Agreement, the execution of individual Waste Delivery Agreements with the Cities of Cloverdale, Cotati, Healdsburg, Rohnert Park, Santa Rosa, Sebastopol, and Sonoma and the Town of Windsor, as well as their individual Settlement Agreements with the County of Sonoma concerning alleged liability relating to the County Facilities.

(d) This commitment for delivery of Committed City Waste by the City is not a guaranty that any specific quantity of Waste will be delivered to Contractor and the County Facilities. This Agreement does not represent a “put or pay” arrangement in which the City or its Franchised Hauler must make a fixed or minimum monthly or annual payment to Contractor regardless of the actual amount of Waste deliveries made to Contractor under this Agreement. Contractor acknowledges that the actual Waste deliveries to Contractor and the County Facilities may be higher or lower than its projections, proposal assumptions or historical averages.

(e) Contractor shall accept all Committed City Waste described in this Agreement, except for Unpermitted Material, delivered to any of the County Facilities for transfer, processing, recycling and/or disposal, in accordance with the respective rules and operating hours of each such County Facility.

(f) For the Term of this Agreement, the Gate Rate at the Central Landfill shall be fixed by the terms of Article 11 and other sections of the County Operations Agreement and be inclusive of any costs associated with the operation of the Transfer Stations and Transport to the Central Landfill.

## **2.2. Exclusions from Committed City Waste**

See Exhibit B, which defines the categories of Waste that are excluded from Committed City Waste for purposes of this Agreement.

## **2.3. Food Waste and Dry Commercial Mixed Waste Collection Program**

(a) City shall authorize its Franchised Hauler to implement a City-wide commercial Food Waste collection program. The City’s Franchised Hauler will commence the new City-wide commercial Food Waste collection program when directed to do so by the City. The Franchised Hauler’s costs of this program are fully compensated through the Contractor’s Gate Rates, and Franchised Hauler shall agree by executing the addendum, attached hereto as Exhibit C, not to seek additional compensation from City for the commercial Food Waste collection program for the Term of the Agreement.

(b) The City’s Franchised Hauler shall commence the City-wide collection of dry commercial Mixed Waste from commercial Premises in the City when directed to do so by the City. The Franchised Hauler’s costs of this program are being fully compensated through the Contractor’s Gate Rates, and City’s Franchised Hauler shall agree by executing the addendum, attached hereto as Exhibit C, not to seek additional compensation from City for the Contractor’s incremental costs of implementing and conducting the dry commercial Mixed Waste collection program for the Term of the Agreement.

#### **2.4. New, Extended Or Modified Franchise Agreements**

Whenever the City's Franchised Hauler has its contract, authorization, permit, license or franchise agreement renewed (excluding only a renewal on the basis of a unilateral option of the Franchised Hauler), extended or materially modified after the Execution Date, the City shall incorporate language in such contract, authorization, permit, license or franchise agreement, requiring the Franchised Hauler to deliver all Committed City Waste to the Contractor and County Facilities for the Term of this Agreement, any extension hereof and any other City waste delivery commitment to Contractor, excluding only those categories of Waste listed in Section 2.2 and Exhibit B.

#### **2.5 Contractor's Scope of Services and Fees for Accepting Committed City Waste**

In exchange for accepting the delivery of Committed City Waste at any of the County Facilities pursuant to this Agreement and the County Operations Agreement, Contractor shall perform the scope of services and obligations for the Committed Cities as more fully set forth in Exhibit E and incorporated herein by reference. Such obligations include, but are not limited to, the Transport of Committed City Waste from the Transfer Stations to the Central Landfill.

The Contractor's Service Fees for performing the services described in this Agreement and in the County Operations Agreement, and the Gate Rates to be charged Committed City Waste at the County Facilities, shall be determined in accordance with the provisions of Article 11 and other Sections of the County Operations Agreement; provided, however, that:

(a) notwithstanding any contrary provision in the County Operations Agreement, commencing upon the expiration of the twentieth year of the Term, the Contractor's Service Fees to City shall be reduced by five percent (5%) of the Service Fees (which are net of any County Concession Fees, Waste Management Agency Fees or any other governmental taxes, fees, surcharges or assessments) in effect immediately prior to the end of the twentieth year of the Term. Thereafter, Contractor's Service Fee shall be adjusted in accordance with the Rate Adjustment Provisions in the County Operations Agreement; and

(b) as a condition precedent to the effectiveness of this Agreement, Contractor and County shall have agreed that the Base Concession Fee described in Article 10 and Exhibit R of the County Operations Agreement shall no longer be charged to Contractor or City during the last five years of the 25 year Initial Term; and

(c) Contractor further agrees to include as part of the Gate Rate the Committed City Contingent Liability Fee on all waste from the Committed Cities and transfer said fees to the County to hold in trust for the Cities in accordance with the Settlement Agreement between the Committed Cities and the County and as provided for in the Amendment to the County Operations Agreement.

#### **2.6 No Guaranty of Payment by City; Franchised Hauler's Failure To Pay Gate Rate; Delinquency and Remedies**

(a) Notwithstanding the City's commitment to deliver Committed City Waste as described herein, such commitment is not a guaranty of payment from the City's general fund. Contractor shall be solely responsible for invoicing the Franchised Haulers delivering Committed City Waste and shall be responsible for obtaining Gate Rate payments from such Franchised Hauler through normal, commercial means. The City shall not have any direct responsibility or liability for unpaid amounts unless the City is itself directly hauling its Committed City Waste to the County Facilities; provided, however, the City agrees to the following process to cure any delinquencies of the Franchised Hauler:

(i) If the Franchised Hauler is delinquent in paying any invoices from Contractor for the Gate Rates applicable to its prior deliveries of Committed City Waste, then Contractor shall immediately provide City written notice of such delinquency. For purposes of this subsection, a Franchised Hauler shall be deemed delinquent if it has not paid the full amount of any invoice of Contractor within thirty (30) days of the date of the invoice, unless there is a pending good faith dispute as to the invoice.

(ii) Upon receiving written notice of the Franchised Hauler's delinquency, City shall have ninety (90) days to take reasonable internal actions to ensure payment of all undisputed invoices by the Franchised Hauler. If, after ninety (90) days, the City is unable to obtain payment by the Franchised Hauler, and there is no pending good faith dispute as to the invoice, then the Contractor may declare the City to be in breach of this Agreement and serve City with notice of breach.

(iii) The City shall be allowed a reasonable opportunity to cure the breach after receipt of written notice of breach. During the cure period, the City shall, in its sole discretion, develop an agreeable plan for curing the Franchised Hauler's delinquency. City actions to cure may include, but not be limited to, terminating the Franchised Hauler's contract, filing for receivership, obtaining financial assurances adequate to Contractor, or selecting a new primary hauler and entering into a new franchise agreement with terms guaranteeing repayment to Contractor of all outstanding balances over a period of time through a supplemental rate structure. During the cure period, interest at the rate of one percent (1.0%) per month shall also begin to accrue on any liquidated amounts of delinquent Gate Rates. As long as City takes any of the actions described in this subsection (iii) to secure payment of all delinquent amounts, then in no event shall City be required to pay any outstanding invoices.

(iv) Nothing in this Section is intended to limit or inhibit Contractor from asserting any legal rights it may have against City's Franchised Hauler in order to secure payment of delinquent invoices. For example, Contractor at its sole discretion may place any Franchised Hauler or other entity on a Cash on Delivery (COD) payment basis if the Franchised Hauler is deemed delinquent as well as any other legal remedies as may be available to it subject to the terms of this Agreement.

## 2.7 **Flow Control Enforcement.**

(a) The City shall not enter into any new contract, franchise, permit, authorization or license, or grant any assignment or transfer of an existing contract, franchise, permit,

authorization or license, or grant any other approval or take any other action that is inconsistent with the requirements of this Agreement, including the City's commitment to deliver Committed City Waste to the Contractor and County Facilities as required herein except as may be agreed to by Contractor.

(b) The City agrees that the Contractor shall be a third party beneficiary of the obligation of all City Franchised Haulers over which the City has exercised flow control to deliver Committed City Waste to the Contractor and County Facilities, and that Contractor may directly enforce such obligation through any legal means available. The City shall notify in writing each Franchised Hauler of the Contractor's third party beneficiary rights. Delivery of a fully executed copy of this Agreement to the Franchised Hauler shall constitute such notification.

(c) The City, in cooperation with the Contractor, shall establish, implement, carry out and enforce a waste flow enforcement program that is sufficient to reasonably assure the delivery of all Committed City Waste to the Contractor and County Facilities consistent with this Agreement. The waste flow enforcement program shall consist of amending City contracts, franchises, permits, authorizations or licenses with Franchised Haulers, to the extent required by this Agreement, and shall include in addition, to the extent necessary and appropriate in the circumstances to assure compliance with this Agreement, but shall not be limited to: (1) granting or issuing contracts, franchises, permits, authorizations or licenses to Franchised Haulers, upon the condition of compliance with this Agreement, and (2) providing for and taking appropriate reasonable enforcement action under any such contract, franchise, permit, authorization or license, such as, but not limited to, the suspension, revocation and termination of collection rights and privileges, the imposition of fines or collection of damages, and the exercise of injunctive relief against non-complying Franchised Haulers as determined appropriate by the City in its sole discretion.

(d) Contractor may initiate enforcement action as a third party beneficiary of this Agreement at its sole cost and expense, if the City's Franchised Hauler fails to honor its commitments to deliver Committed City Waste to Contractor ten (10) days after providing written notification to the City. The City shall reasonably cooperate with Contractor if Contractor initiates such action.

(e) The City shall use its good faith efforts to preserve, protect and defend its rights to exercise and comply with this Agreement against any challenge thereto, legal or otherwise (including any lawsuits involving the City as Party, whether as plaintiff or defendant), by any Franchised Hauler or any other person, based upon breach of contract, violation of law or any other legal theory. At the request of the Contractor and at the option of the City, the City may assign its rights and obligations pursuant to this paragraph to the Contractor, and the Contractor shall, at Contractor's election, accept such assignment and the Contractor shall defend the City at the Contractor's sole cost and expense or indemnify the City for the payment of any costs incurred by the City in defense of any such challenge. The City and Contractor shall cooperate and coordinate in any such defense.

(f) The City shall immediately notify the Contractor of any changes in the contract, franchise, permit, authorization or license of its Franchised Hauler that may affect the Franchised Hauler's obligation or ability to comply with the City's commitment to deliver

Committed City Waste to Contractor and the County Facilities. Notwithstanding the foregoing this clause shall not relieve the City of its obligations under Sections 2.1, 2.4 and 2.7 of this Agreement.

(g) The City shall cooperate with the Contractor in collecting information and otherwise monitoring the City's Franchised Hauler in order to assure compliance with this Agreement. Such information may include, to the extent practicable, data pertaining to Committed City Waste collected, stored, processed and disposed of, and all other information which is reasonably available to the City and may be required by the Contractor in connection with this Agreement.

(h) A breach or default by the City as to its commitment of Committed City Waste under this Section shall not be considered a breach or default by the County or any other Committed City. A breach or default by the County as to its commitment of Committed County Waste under this Section shall not be considered a breach or default by any Committed City. In no event shall the City have any obligation for any other Committed City or any Committed City have any obligation for the County and no joint or several liability shall apply under any circumstance.

(i) In the event Contractor, by reason of a Force Majeure Event, is unable to accept delivery of the City's Committed City Waste at the Central Landfill, then Contractor shall ensure that the Committed City Waste is transferred to and disposed of at another permitted facility, at no additional cost to the City, until the Force Majeure Event is lifted.

(j) It is the intention of the Parties that this Agreement and the obligations and rights of the City hereunder, including particularly the commitment of delivery of Committed City Waste to Contractor and the County Facilities, shall to the extent permitted by Applicable Law extend to any territory annexed by the City and shall bind any successor or restructured Governmental Authority which shall assume or succeed to the rights of the City under Applicable Law.

### **3. TERM OF AGREEMENT**

#### **3.1. Initial Twenty Five-Year Term**

The initial Term of this Agreement shall commence on the Effective Date and continue until the twenty-fifth (25<sup>th</sup>) anniversary of the Effective Date. As used herein, the "Effective Date" of this Agreement is and shall be the same as the Effective Date of the County Operations Agreement.

#### **3.2. Option to Extend Agreement**

Under Section 12.5 of the County Operations Agreement, the County and each Committed City shall independently have six (6) successive options to continue to commit its Committed City Waste to Contractor for an additional five (5) years per option. The County and/or each City seeking an extension must provide written notice of its decision to exercise each option no later than twelve (12) months prior to the expiration of the then-prior period under which the City's Waste has been committed (e.g., the initial option must be exercised by the twenty fourth (24<sup>th</sup>) year anniversary of the Effective Date). The exercise of the options shall be within the sole respective discretion of the County or City and the exercise of one option does not guaranty or mean that the succeeding option or options will be exercised; provided, however, that the subsequent options may not be exercised unless the immediately preceding option has been exercised. The terms of the County's and each City's six (6) successive options, assuming a Commencement Date in 2014, follow below:

Option #1: Years 2039-2044

Option #2: Years 2044-2049

Option #3: Years 2049-2055

Option #4: Years 2055-2059

Option #5: Years 2059-2064

Option #6: Years 2064-2069

(a) Notwithstanding the foregoing, Contractor shall not be obligated to accept deliveries of any Waste from the County or any Committed City at any point in time after the initial Term of this Agreement unless both of the following conditions are met:

- (1) The Central Landfill shall have sufficient Permitted Disposal Capacity to Dispose of all Waste to be delivered by the County and Committed Cities extending their Waste delivery commitments to Contractor; and
- (2) Jurisdictions timely exercising their options to extend their Waste delivery commitments shall have contributed through their Franchised Haulers at least sixty percent (60%) of the total Committed Waste deliveries of all jurisdictions delivering material to the County Facilities for the two year period immediately preceding the date by which these jurisdictions must have exercised their options to extend their commitment.

### **3.3 Right To Use County Transfer Stations At Market Rates.**

Provided that Contractor remains under contract with the County to operate any or all of the County Transfer Stations following the expiration of the City's Waste Delivery Agreement, Contractor agrees to and shall provide transfer station and Transportation services for the City's Committed Waste at Market Rates for as long as the Contractor has the right to operate any such Transfer Station. Any disputes regarding whether Contractor is offering to provide such services at Market Rates may be submitted by either party to Dispute Resolution, but the dispute must be submitted to Dispute Resolution no later than 45 days following the expiration of the Initial Term.

## **4. CONDITIONS PRECEDENT**

### **4.1 Conditions Precedent.**

This Agreement shall not become effective, and the Parties shall have no obligations to each other by reason of this Agreement, until the following conditions precedent have been met, or unless otherwise agreed to in writing between Contractor and City.

#### **(a) Waste Flow Commitments.**

All of the Cities listed below shall have entered into Waste Delivery Agreements with Contractor whereby each City has agreed to deliver and/or shall cause all of their Franchised Haulers to deliver all Committed City Waste to the Contractor and County Facilities for a minimum period of twenty-five (25) years, commencing on the Effective Date. Contractor shall receive as the operator of the Landfill a valid permit for leachate disposal with the Subregional Wastewater Treatment and Reclamation System Laguna Plant allowing acceptance of leachate generated from the Landfill for a fee not to exceed one percent (1%) over the current fees for such disposal. The County has entered into an Agreement for Sewer Transmission Services with the City of Cotati wherein Cotati agrees to allow the County to use its sewer line to transfer leachate from the Landfill to the Subregional Wastewater Treatment and Reclamation System Laguna Plant.

(c) Landfill and Landfill Expansion Permits.

This condition precedent has already been met. On March 14, 2013, Contractor received as the operator of the Landfill a valid Solid Waste Facilities Permit, Waste Discharge Requirements, NSPS permit and all other Permits required for the operation of the Landfill and the construction and operation of an additional 8.5 million cubic yards of new Disposal capacity adjacent to the existing Landfill and on the Landfill Land, which Permits shall be in a form satisfactory to Contractor in its sole discretion.

(d) Validity of City or Town Council Approval of this Agreement.

The City/Town Council of City shall have duly authorized the City's signing and performance of this Agreement, and of all of the City's obligations in this Agreement shall be legally enforceable and binding obligations of the City.

(e) Franchised Hauler's Execution of Exhibit C.

To the extent (i) the City exercises Flow Control over its Committed City Waste, and (ii) the Committed City Waste does not include Construction and Demolition Wastes, then the City's Franchised Hauler(s) shall have duly approved and executed the Franchised Hauler's Agreement to be bound by the City's Waste Delivery Agreement in the form attached hereto as Exhibit C. It is expressly understood that this specific provision is limited to a commitment of Construction and Demolition Debris by Franchised Haulers only.

Notwithstanding the foregoing, Assumed Liabilities shall not include liabilities under this Section to the extent arising out of or caused by the HHW Facility, Compost Facility or any future compost facility, to the extent such facilities continue to be operated by a third party over whom Contractor has no control, or any Closed County Landfill, including but not limited to any leachate or landfill gas migrating from any Closed County Landfill. The foregoing Assumed Liability and the indemnity associated therewith in Section 6.1(a) (iii) is intended to operate as an agreement pursuant to section 107(e) of CERCLA, 42 U.S.C. §9607(e), and California Health & Safety Code §25364, to defend, protect, hold harmless and indemnify the City from all losses and liabilities described in this subsection 5.1 (b).

(h) Other Specified Liabilities. All other liabilities, obligations or responsibilities expressly allocated to Contractor, and not excluded as an Excluded Liability, in the County Operations Agreement.

## **5.2. Excluded Liabilities**

Except as explicitly and expressly set forth in this Agreement, Contractor shall not, by the execution and performance of this Agreement or otherwise (including under theories of successor liability), assume, become responsible for or incur any liability or obligation of any nature of County or of the Committed Cities whatsoever arising, or relating to events occurring, on or prior to the Effective Date, whether legal or equitable or matured or contingent including but not limited to: (i) any obligation to reimburse the County or City for expenditures made by the County, City or other Entity or expenditures which accrued and were payable under contract (or would have been payable if billed) but were unpaid prior to the Effective Date on account of any of the Assumed Liabilities; and (ii) any Excluded Liabilities as set forth in this Section "Excluded Liabilities" means:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

IN THIS CONNECTION, CONTRACTOR HEREBY AGREES, REPRESENTS, AND WARRANTS THAT IT REALIZES AND ACKNOWLEDGES THAT FACTUAL MATTERS NOW UNKNOWN TO IT MAY HAVE GIVEN OR MAY HEREAFTER GIVE RISE TO CLAIMS THAT ARE PRESENTLY UNKNOWN, UNANTICIPATED AND UNSUSPECTED, AND IT FURTHER AGREES, REPRESENTS, AND WARRANTS THAT THIS RELEASE HAS BEEN NEGOTIATED AND AGREED UPON IN LIGHT OF THAT REALIZATION AND IT NEVERTHELESS HEREBY INTENDS TO RELEASE THE COUNTY, THE OTHER MEMBERS OF THE COUNTY GROUP AND THE COMMITTED CITIES FROM THE LOSSES AND MATTERS DESCRIBED IN THIS SECTION.

### **6.3 Covenant Not to Sue**

(a) Neither Contractor, nor any entity claiming through Contractor, shall have any rights, claims, remedies or actions against the City for any matter with respect to which Contractor has provided indemnification under this Agreement or a release under this Agreement. Notwithstanding the foregoing, Contractor is not assuming any liabilities or obligations for any matter covered by the Contractor's exceptions to indemnity under Section 6.4 of this Agreement

(b) Contractor, for itself, does hereby covenant forever and unconditionally not to sue, make any claim or take any action against the City for any loss arising out of, relating to (i) any Assumed Liabilities (but excluding Excluded Liabilities); (ii) any other matter with respect to which Contractor has provided indemnification or a release under the County Operations Agreement; and (iii) facilities other than the County Facilities at which Contractor disposes of or processes Waste from the County of Sonoma. Without limiting the foregoing and by way of example only, such post-Effective Date Environmental Conditions may include vehicle fuel or lubricant spills, contamination of or failure to control surface water run-off from composting operations, air emissions from composting operations, composting odors, nuisance claims, and aspergillum or other biological contamination of water or air caused by the composting of organic materials such as Food Waste, permit

(ii) Unless Contractor assumes operation of the Household Hazardous Waste Facility pursuant to Article 7 of the County Operations Agreement, Contractor shall have no obligation to defend, hold harmless or indemnify the City for any liabilities, losses, claims or Environmental Conditions that Contractor proves by a preponderance of evidence were or are caused by the presence or operation of the Household Hazardous Waste Facility at the Landfill Land, and Contractor's release and covenant not to sue shall not apply to any such claims or Environmental Conditions.

## ARTICLE 7: REPRESENTATIONS AND WARRANTIES

### 7.1 Representations and Warranties of Contractor.

Contractor, by acceptance of this Agreement, hereby makes the following representations and warranties for the benefit of the City as of the Execution Date, each of which shall be deemed remade as of the Effective Date, unless Contractor specifies in writing otherwise.

(a) Corporate Status.

Contractor is a corporation duly organized, validly existing and in good standing under the laws of the State of California. Contractor is qualified to transact businesses in the State of California and has the power to own its properties and to carry on its business as now owned and operated and as required by this Agreement.

(b) Corporate Authorization and Binding Obligation.

Contractor has the authority to enter into and perform its obligations under this Agreement. The officers of Contractor have taken all actions required by law, its articles of incorporation, bylaws, or otherwise, to authorize the execution of this Agreement. The person signing this Agreement on behalf of Contractor has the authority to do so. This Agreement constitutes the legal, valid and binding obligation of Contractor to comply with each of the provisions of this Agreement, except as such enforceability may be limited by Applicable Laws of general application affecting the rights of contracting parties, bankruptcy, insolvency or other similar Applicable Laws of general application relating to or affecting the enforcement of creditors' rights and by general equitable principles.

(c) Agreement Will Not Cause Breach.

Neither the execution and delivery by Contractor of this Agreement, nor the performance of Contractor of its obligations hereunder:

1. Conflicts with, violates or will result in a violation of any existing applicable law; or

2. Conflicts with, violates or will result in a breach or default under any term or condition of any existing judgment, order or decree of any court, administrative agency or other governmental authority, or of any existing contract or instrument to which Contractor is a party, or by which Contractor or any of Contractor's properties or assets is bound; or

3. Will result in the creation or imposition of any lien, charge, or encumbrance of any nature whatsoever upon any of the properties or assets of Contractor which will interfere materially with Contractor's performance hereunder.

(d) No Litigation.

To the best of Contractor's knowledge, after reasonable investigation, and except as disclosed to the City, there is no action, suit, proceeding or investigation, at law or in equity, before or by any court or Governmental Authority, commission, board, agency or instrumentality decided, pending or threatened against Contractor wherein an unfavorable decision, ruling or finding, in any single case or in the aggregate, would materially adversely affect the performance by Contractor of its obligations hereunder or which, in any way, would adversely affect the validity or enforceability of this Agreement or which would have a material adverse effect on the financial condition of Contractor or any surety guaranteeing Contractor's performance under this Agreement, which has not been waived by the City in writing.

(e) No Adverse Judicial Decisions.

To the best of Contractor's knowledge, after reasonable investigation, there is no judicial decision that affects the validity of this Agreement or subjects this Agreement to legal challenge.

(f) Ability to Perform.

Contractor possesses the business, professional, and technical capabilities to operate the Landfill, accept and dispose of Waste at the Landfill and operate the Transfer Stations and Material Recovery Facility; Contractor possesses or knows of no impediment to its obtaining the Permits to perform this Agreement; and Contractor possesses the equipment, facility, and employee resources required to perform this Agreement.

(g) Contractor's Investigation.

Contractor has made an independent investigation (satisfactory to it) of the conditions and circumstances surrounding the Agreement and the work to be performed hereunder and has taken these matters into consideration in its agreement to provide these services in exchange for the compensation provided for under the terms of this Agreement.

(h) Conflict of Interest.

Contractor warrants and represents that no elected official, officer, agent or employee of the City has a financial interest, directly or indirectly, in this Agreement, the compensation to be paid under it and, further, that no City employee who acts in the City as a "purchasing agent" as defined

in the appropriate Section of California Statutes, nor any elected or appointed officer of the City, nor any spouse or child of such purchasing agent, employee or elected or appointed officer, is a partner, officer, director, or proprietor of the Contractor and, further, that no such City employee, purchasing agent, City elected or appointed officer, or the spouse or child of any of them, alone or in combination, has a material interest in the Contractor. Material interest means direct or indirect ownership of more than five percent (5%) of the total assets or capital stock of the Contractor.

(i) Representatives of the Parties.

Contractor has designated and submitted to the City, in writing, the name, title and contact information of a responsible officer who shall serve as the representative of Contractor and who shall have authority in all daily operational matters related to the Agreement. The City may rely upon action taken by such designated representative as action of Contractor unless for actions not taken within the scope of the Agreement. Unless otherwise specified in this Agreement, any action authorized or required to be taken by the City may be taken by the City Council or by an official or agent designated by the City Council.

(j) Financial Ability, Disclosures, No Material Changes.

Contractor has sufficient financial resources to perform all aspects of its obligations hereunder. Contractor has provided the County with audited financial statements which present fairly, in accordance with generally accepted accounting principles, the financial resources of Contractor. There has been no material adverse change in Contractor's or Contractor's parent company's financial circumstances since the date of the most recent financial statements.

(k) Contractor's Statements.

Contractor's proposal and any other supplementary information submitted to the City that the City has relied on in negotiations and entering into this Agreement, do not: (i) contain any untrue statement of a material fact, or (ii) omit to state a material fact that is necessary in order to make the statements made, in light of the circumstances in which they were made, not misleading.

(l) Landfill Disposal Capacity

Contractor has determined that the Central Landfill has sufficient Permitted Disposal Capacity to accept and dispose of all Committed City Waste delivered during the first twenty five (25) years of this Agreement.

## **7.2 City Representations and Warranties.**

The City, by acceptance of this Agreement, hereby makes the following representations and warranties for the benefit of the Contractor as of the Execution Date, each of which shall be deemed remade as of the Effective Date, unless the City specifies in writing otherwise:

(a) Organization and Existence.

The City is a municipal corporation of the State.

(b) Execution, Delivery and Enforceability.

The City has full power to enter into, and to carry out its obligations under, this Agreement. The execution and delivery of this Agreement, and the consummation of the transactions contemplated hereby and thereby, have been duly authorized by all necessary action required on the part of the City. This Agreement constitutes the valid and legally binding obligations of the City, enforceable against the City in accordance with its and their terms, except as such enforceability may be limited by Applicable Laws of general application affecting the rights of contracting parties (including those applying to enforcement against public entities), bankruptcy, insolvency or other similar Applicable Laws of general application relating to or affecting the enforcement of creditors' rights and by general equitable principles.

(c) No Litigation.

To the best of the City's knowledge, after reasonable investigation, there is no claim, at law or in equity, before or by any court or Governmental Authority, third party, commission, board, agency or instrumentality decided, pending or threatened against the City wherein an unfavorable decision, ruling or finding, in any single case or in the aggregate, would materially adversely affect the performance by the City of its obligations hereunder or which, in any way, would adversely affect the validity or enforceability of this Agreement or which would have a material adverse effect on the financial condition of the City.

(d) No Adverse Judicial Decisions.

To the best of the City's knowledge, after reasonable investigation, there is no judicial decision that affects the validity of this Agreement or subject this Agreement to legal challenge.

(e) No Consents.

No consent or approval of, filing with or notice to any entity is required to be obtained or made by the City in connection with the City's execution, delivery and performance of this Agreement, or the consummation of the transactions contemplated hereby, which, if not obtained or made, would prevent the City from performing its obligations hereunder or thereunder.

## **ARTICLE 8: EVENTS OF BREACH AND DEFAULT**

### **8.1 Events of Breach**

All provisions of this Agreement are considered material and City or Contractor's failure to perform any one of its obligations or services set forth in this Agreement shall constitute an event of breach. In addition, each of the following shall also constitute an event of breach:

(a) **Failure to Perform Obligations.** Contractor ceases to perform its services and obligations for the Committed Cities set forth in Exhibit E, for a minimum of either two (2) consecutive business days or three (3) non-consecutive business days within one (1) week for any reason within its control, but excluding a Force Majeure Event.

(b) **Failure to Maintain Coverage.** Contractor fails to provide or maintain in full force and effect insurance, liability, or indemnification coverage as required by this Agreement and Section 14.2 of the County Operations Agreement.

(c) **Violations of Applicable Law.** City or Contractor violates Applicable Law relative to this Agreement, including any orders or filings of any regulatory body having authority over the Party relative to this Agreement, provided that the Party may contest any such orders or filings in good faith, in which case no breach or default of this Agreement shall be deemed to have occurred upon final resolution of the contest or appeal in favor of the Party.

(d) **Seizure or Attachment.** There is a seizure or attachment of, or levy on, some or all of Contractor's operating equipment, including, without limitation, its maintenance or office facilities, or any part thereof.

(e) **City's Failure to Perform Obligations.** The City ceases to perform its obligations as required under Article 2 of this Agreement, unless due to a Force Majeure Event. With respect to its requirement to cure delinquent payments by Franchised Hauler, as more fully set forth above in Section 2.7, the City is unable to obtain payment from the Franchised Hauler for delinquent invoices due to Contractor.

(f) **Insolvency or Bankruptcy.** Contractor becomes insolvent, unable, or unwilling to pay its debts, a receiver is appointed or Contractor's assets are involuntarily transferred or assigned, or upon listing of an order for relief in favor of Contractor in a bankruptcy proceeding.

## 8.2 Rights to Remedy Breach

The Party in breach shall promptly, or as soon as practicable, provide the other Party written notice of the breach. Upon written notice, the Party shall have a reasonable time to cure, but such cure period shall not exceed ninety (90) days, except as otherwise provided for the City in Section 2.7.

## 8.3 Events of Default

Each of the following shall constitute an event of default:

(a) **Failure to Cure Breach.** Failure to cure an event of breach as provided above in Section 8.2.

(b) **Repeated Pattern of Breach.** A pattern of breaches of this Agreement over time such that the combination of breaches constitutes a material failure by the Party to perform its obligations, even if each individual breach is later cured.

(c) **Fraud or Deceit.** Contractor practices, or attempts to practice, any fraud or deceit upon the City.

(d) **False or Misleading Statements.** Any representation or disclosure made to the City by Contractor in connection with or as an inducement to entering into this Agreement, or any future amendment to this Agreement, which proves to be false or misleading in any material respect as of the time such representation or disclosure is made, whether or not any such representation or disclosure appears as part of this Agreement. In addition, any Contractor-provided report containing a misstatement, misrepresentation, data manipulation, or an omission of fact or content explicitly defined by the Agreement, excepting typographical and grammatical errors.

(e) **Criminal Activity.** Either Party, its officer, managers, or employees are found guilty of criminal activity related directly or indirectly to performance of this Agreement.

(f) **Assignment Without Approval.** Contractor transfers or assigns this Agreement without express written approval of the City.

#### **8.4 Event of Default Not Curable**

Neither Party shall have the right to cure an event of Default as set forth in Section 8.3. However, either Party may waive a default as provided below in Section 9.2.

### **ARTICLE 9: REMEDIES AND RESOLUTION OF DISPUTES**

In addition to the flow control enforcement remedies provided above in Section 2.7, City and Contractor shall each have the following remedies, upon a determination that the other party has committed an event of default:

#### **9.1 Right to Terminate**

City or Contractor may terminate this Agreement. The Party seeking termination shall (a) first, provide written notice to the other Party that it intends to terminate; and (b) second, obtain a court order from a court of competent jurisdiction in Sonoma County in order to effectuate termination. Termination shall be effective on the date specified in the court order.

#### **9.2 Waiver of Default**

City or Contractor may waive any default of the other Party if, in the Party's sole discretion, such a waiver would be in the best interests of both parties. A Party's waiver of default is not a waiver of future events that may have the same or similar conditions.

#### **9.3 Other Available Remedies**

A Party's election of one or more remedies described herein shall not limit that Party from any and all other remedies at law and in equity.

#### **9.4 Dispute Resolution**

(a) **Informal Resolution.** Should any dispute arise with respect to the performance and obligations of the Parties hereunder, at any time during the term of this Agreement, the provisions of this Section shall apply. Either Party shall give the other written notice of such dispute. Such notice shall specify a date and location for the Parties to meet and confer in good faith to resolve

any dispute that may arise in a cooperative and mutually satisfactory manner. City and Contractor shall attempt to resolve their disputes informally to the maximum extent possible. In the event the Parties cannot resolve such dispute within thirty (30) days of such notice, either Party may propose to enter mediation or non-binding arbitration, as set forth below.

(b) **Mediation.** Either Party may propose the appointment of a mediator for advice and non-binding mediation, and the Parties shall cooperate in promptly scheduling the mediation.

(i) The mediation shall be conducted by the Judicial Mediation and Arbitration Service (JAMS) or such other service the parties agree on. The neutral shall be selected by the parties, but if they are unable to agree on a mediator, JAMS or the substitute service shall select the mediator in accordance with its rules.

(ii) If the mediator is unable, within thirty (30) days thereafter, to reach a determination as to the matter in dispute in a manner acceptable to the Parties hereto, then either Party may refer the matter to non-binding arbitration or a Court of competent jurisdiction.

(c) **Non-Binding Arbitration.** Either Party may propose to enter non-binding arbitration, and the other Party shall attend such arbitration proceedings. Arbitration proceedings shall be in accordance with California Code of Civil Procedure Section 1280 et. seq., the then-current JAMS Streamlined Arbitration Rules, and the terms of this Section. The arbitration shall be administered by JAMS and conducted in the County of Sonoma.

(i) If the Parties are unable to select an arbitrator, JAMS shall select a qualified arbitrator from its panel. If JAMS is unwilling or unable to (1) serve as the provider of arbitration or (2) enforce any provision of this arbitration clause, the Parties may mutually designate another arbitration organization with similar procedures to serve as the provider of arbitration. If the parties cannot agree on the arbitration organization, the Presiding Judge of the Sonoma County Superior Court shall designate such an organization upon the petition of either Party. The arbitrator shall be independent of, and unaffiliated with, each Party and shall not ever have been an employee of either Party, under contract with either Party in the past five (5) years or acted as an arbitrator for such Party within the past five (5) years.

(ii) The arbitrator shall have the authority and power to award costs, including attorneys' fees and costs to the prevailing Party. Unless otherwise awarded by the arbitrator, the Parties shall evenly split the cost of any arbitration under this Section.

(d) **Pendency of Dispute.** During the pendency of any dispute under this Section, all applicable time periods directly related to the dispute shall be tolled until its resolution; provided, however, that no tolling shall apply to any matters other than those directly related to the dispute and such tolling shall not entitle a Party to breach, default, or fail to perform its obligations under this Agreement. In addition, the pendency of any dispute shall not stay or affect either Party's remedies under this Agreement, including but not limited to its rights to terminate.

## ARTICLE 10: GENERAL PROVISIONS

### 10.1 Further Instruments

Each party will, whenever and as often as it shall be reasonably requested so to do by the other, cause to be executed, acknowledged or delivered, any and all such further instruments and

documents as may be necessary or proper, in the reasonable opinion of the requesting party, in order to carry out the intent and, purpose of this Agreement.

## **10.2 Corporate Guaranty**

As a condition precedent to the effectiveness of this Agreement, Contractor's parent company, Republic Services, Inc., shall duly authorize, execute and deliver to the City the Corporate Guaranty attached hereto as Exhibit F.

## **10.3 Entire Agreement; Amendments**

This Agreement contains the entire agreement between the Parties respecting the matters herein set forth and supersedes all prior or contemporaneous agreements or understandings, verbal or written, between the Parties hereto respecting such matters. This Agreement may be amended by written agreement of amendment executed by both Parties hereto, but not otherwise.

## **10.4 Governing Law and Venue**

This Agreement shall be construed and enforced in accordance with the laws of the State of California. Any action that is commenced by either party to enforce or interpret any of the terms and conditions of this Agreement shall be brought in a court of competent jurisdiction for Sonoma County.

## **10.5 Successors and Assigns.**

(a) Contractor shall not assign or transfer its rights or obligations under this Agreement without the express written consent of the City, which consent shall not be unreasonably withheld (in which event such transferee shall assume in writing all of the transferor's obligations hereunder, but such transferor shall not be released from its obligations hereunder). No consent given by the City to any transfer or assignment of the Contractor's rights or obligations hereunder shall be construed as consent to any other transfer or assignment of Contractor's rights or obligations hereunder. No transfer or assignment in violation of the provisions hereof shall be valid or enforceable. Any assignment of this Agreement without the express written consent of the City shall be null and void and shall be grounds for the City to declare a default of this Agreement and immediately exercise all rights and remedies hereunder. Subject to the foregoing, this Agreement and the terms and provisions hereof shall inure to the benefit of and be binding upon the successors and assigns of the Parties. If Contractor obtains express written consent of City to assign or transfer its rights and obligations, then Contractor shall follow the provisions for assignment and transfer in accordance with Section 19.2 of the County Operations Agreement. The transfer or assignment of this Agreement, along with the assets of Contractor, to another wholly owned subsidiary of Republic Services, Inc. or its successor shall not be deemed an assignment.

(b) City may assign its rights and responsibilities under this Agreement to any other entity as long as any such proposed assignee under this Section shall: (1) have the legal authority and financial capacity sufficient to assume and perform all of City's obligations hereunder; and (b) shall agree in writing to do so.

## **10.6 Notices.**

Any notice which a Party is required or may desire to give the other shall be in writing and

**10.7 Counterparts** .

This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same document.

**10.8 Severability**

If any provision of this Agreement, or the application of such provision to any person or circumstances, shall be held invalid by a court of competent jurisdiction, the remainder of this Agreement, or the application of such provision to persons or circumstances other than those to which it is held invalid by such court, shall not be affected thereby.

- (a) Source Separated Generic Recyclable Material;

## EXHIBIT C

### **FRANCHISED HAULER'S AGREEMENT TO BE BOUND BY CITY'S WASTE DELIVERY COMMITMENT**

This agreement is entered into between North Bay Corporation, Inc ("Franchised Hauler"), the City of SEBASTOPOL ("City") and Republic Waste Services of Sonoma County, Inc. ("Contractor"). All words and phrases in this agreement with initial capital letters are defined in the attached Waste Delivery Agreement.

Franchised Hauler acknowledges that it has read and understood the foregoing Waste Delivery Agreement ("Waste Delivery Agreement") between the City and Contractor. Franchised Hauler agrees to fully honor and comply with the City's Waste delivery obligations to Contractor in the Waste Delivery Agreement, and as the Waste Delivery Agreement may hereafter be modified or extended by the City and Contractor at their sole discretion. Franchised Hauler shall deliver all such Waste to Contractor and the County facilities as required by and in accordance with the Waste Delivery Agreement. The Term of Franchised Hauler's obligations hereunder shall be coterminous with the Term of the City's Waste Delivery Agreement with Contractor, and therefore will not expire until the Term of the Waste Delivery Agreement, as it may be extended by City and Contractor, expires.

Without limiting the generality of the foregoing, Franchised Hauler agrees that:

1. Notwithstanding any other term, condition or provision in Franchised Hauler's franchise agreement with the City, Franchised Hauler will deliver all Committed City Waste that is collected, transported or otherwise handled by Franchised Hauler to the Contractor and County Facilities for the Term of the Waste Delivery Agreement, as it now exists or may hereafter be modified or extended, except for Waste that is excluded from the City's Waste delivery obligation to Contractor as described in Section 2.2 and Exhibit B of the Waste Delivery Agreement. Franchised Hauler shall do all things necessary and execute any further agreements or instruments required to effectuate Franchised Hauler's obligation this agreement. In addition, Franchised Hauler shall deliver all Construction and Demolition Debris collected in the City to the County facilities. This agreement by Franchised Hauler amends, supersedes and controls over any contrary or inconsistent provision in any agreement that Franchised Hauler has, or may hereafter enter into, with the City.
2. Franchised Hauler shall pay Contractor's invoices for delivery of Waste collected by Franchised Hauler in the City within thirty (30) of the date of the invoice. Any unpaid invoiced amounts not paid within said thirty (30) days shall bear interest at the rate of one and one half percent (1.5%) per month until paid. Contractor shall be entitled to recover its attorneys' fees, expert witness fess and all other costs of litigation incurred in collecting delinquent invoices from Franchised Hauler.

000047

3. Franchised Hauler shall commence the City-wide collection of Food Waste from commercial Premises in the City when directed to do so by the City. The Franchised Hauler's costs of this program are being fully compensated through the Contractor's Gate Rates, and Franchised Hauler agrees not to seek additional compensation from City for the Contractor's incremental costs of implementing and conducting the commercial Food Waste collection program for the Term of the Agreement.

4. Franchised Hauler shall commence the City-wide collection of dry commercial Mixed Waste from commercial Premises in the City when directed to do so by the City. The Franchised Hauler's costs of this program are being fully compensated through the Contractor's Gate Rates, and Franchised Hauler agrees not to seek additional compensation from City for the Contractor's incremental costs of implementing and conducting the dry commercial Mixed Waste collection program for the Term of the Agreement.

5. Franchised Hauler shall defend and indemnify the City from and against any and all losses and liabilities associated with the Franchised Hauler's breach of this Agreement.

6. The parties acknowledge that the implementation of the Waste Delivery Agreement will result in an increase in the cost of disposal at the County Facilities. City agrees that Franchised Hauler may pass through the increase in disposal costs arising upon the Effective Date of the Waste Delivery Agreement. Franchised hauler shall promptly notify City of the rate increase for each service provided by Franchised Hauler necessary to defray the increased cost of disposal at the County facilities under the Waste Delivery Agreement. City shall reasonably approve the imposition of such increased maximum rates on the Effective Date of the Waste Delivery Agreement.

7. This agreement shall bind Franchised Hauler and its subcontractors and affiliates and each of their respective successors and assigns.

**FORM OF GUARANTY**

**THIS GUARANTY, INDEMNIFICATION AND RELEASE AGREEMENT** (this “**Guaranty**”) is made as of December 2, 2014, by **REPUBLIC SERVICES, INC.**, a Delaware corporation (“**Guarantor**”), in favor of **THE CITY OF SEBASTOPOL**, a political subdivision of the State of California (“**City**”).

**RECITALS**

A. Republic Services of Sonoma City, Inc. a Delaware corporation, as contractor (“**Contractor**”), and City are parties to that certain Waste Delivery Agreement dated as of December 2, 2014 (the “**Agreement**”). Contractor is also a party to the County Operations Agreement with the County of Sonoma. Initially capitalized terms used herein without definition will have the meaning given such term in the Agreement are hereby incorporated herein.

B. To induce City to enter into the Agreement and consummate the transactions contemplated thereby, Guarantor has agreed to enter into this Guaranty.

C. Guarantor is the ultimate parent of Contractor.

D. Without this Guaranty, City would not have entered into the Agreement. Therefore, in consideration of City’s execution of the Agreement, Guarantor has agreed to execute this Guaranty.

**NOW, THEREFORE**, in consideration of the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Guarantor agrees as follows:

1. **Guaranty.** Guarantor guarantees to City and its successors and assigns, the full and prompt payment and performance when due of all of the obligations of Contractor arising out of, in connection with, under or related to the Waste Delivery Agreement and the Master Operations Agreement, as such terms are defined in the Agreement and each and every other document and agreement executed by Contractor in connection with the consummation of the transactions contemplated by the Agreement, including all City Waste Delivery Agreements (which shall collectively be referred to herein as the “**Project Documents**”). The obligations guaranteed pursuant to this Guaranty are collectively referred to herein as the “**Guaranteed Obligations.**”

2. **Unconditional Obligations.** This Guaranty is a guaranty of payment and performance and not of collection and is an absolute, unconditional and irrevocable guarantee of the full and prompt payment and performance when due of all of the Guaranteed Obligations, whether or not from time to time reduced or extinguished or hereafter increased or incurred; whether or not recovery may be, or hereafter may become, barred by any statute of limitations or otherwise; provided, however, that this Guaranty shall not be enforceable against Guarantor to the extent (and only to the extent) it is determined or has been determined not to be enforceable

## EXHIBIT F

either by an arbitrator pursuant to the Dispute Resolution Provision in the Agreement (the “Dispute Resolution Provision”) or by a court of competent jurisdiction that the Guaranteed Obligations are not enforceable against Contractor. If any payment made by Contractor or any other Person and applied to the Guaranteed Obligations is at any time annulled, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be repaid or refunded, then, to the extent of such payment or repayment, the liability of Guarantor will be and remain in full force and effect as fully as if such payment had never been made. Guarantor covenants that this Guaranty will not be fulfilled or discharged, except by the complete payment and performance of the Guaranteed Obligations, whether by the primary obligor or Guarantor under this Guaranty. Without limiting the generality of the foregoing, Guarantor’s obligations hereunder will not be released, discharged or otherwise affected by (a) any change in the Project Documents or the obligations thereunder, or any insolvency, bankruptcy or similar proceeding affecting Contractor, Guarantor or their respective assets; and (b) the existence of any claim or set-off which Contractor has or Guarantor may have against City, whether in connection with this Guaranty or any unrelated transaction, except and only to the extent any claim or set-off is actually allowed either by an arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction, provided that nothing in this Guaranty will be deemed a waiver by Guarantor of any claim or prevent the assertion of any claim by separate suit. This Guaranty will in all respects be a continuing, absolute, and unconditional guaranty irrespective of the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any part thereof or any instrument or agreement evidencing any of the Guaranteed Obligations or relating thereto, or the existence, validity, enforceability, perfection, or extent of any collateral therefor or any other circumstances relating to the Guaranteed Obligations which might otherwise constitute a defense to the Guaranteed Obligations or this Guaranty, except and only to the extent such defenses are adjudicated or have been adjudicated either by an arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction.

3. **Independent Obligations.** Guarantor agrees that the Guaranteed Obligations are independent of the obligations of Contractor and if any default occurs hereunder, a separate action or actions may be brought and prosecuted against Guarantor whether or not Contractor is joined therein. City may maintain successive actions for other defaults of Guarantor. City’s rights hereunder will not be exhausted by the exercise of any of its rights or remedies or by any such action or by any number of successive actions until and unless all Guaranteed Obligations have been paid and fully performed.

a. Guarantor agrees that City may enforce this Guaranty, at any time and from time to time, without the necessity of resorting to or exhausting any security or collateral and without the necessity of proceeding against Contractor. Guarantor hereby waives the right to require City to proceed against Contractor, to exercise any right or remedy under any of the Project Documents or to pursue any other remedy or to enforce any other right.

b. Guarantor will continue to be subject to this Guaranty notwithstanding:  
(i) any modification, agreement or stipulation between or among Contractor or City or their

## EXHIBIT F

respective successors and assigns, with respect to any of the Project Documents or the Guaranteed Obligations; (ii) any waiver of or failure to enforce any of the terms, covenants or conditions contained in any of the Project Documents or any modification thereof; (iii) any release of Contractor from any liability with respect to any of the Project Documents; or (iv) any release or subordination of any collateral then held by City as security for the performance by Contractor of the Guaranteed Obligations.

c. The Guaranteed Obligations are not conditional or contingent upon the pursuit by City of any remedies which City either now has or may hereafter have with respect thereto under any of the Project Documents.

#### 4. Liability of Guarantor.

a. City may enforce this Guaranty upon the occurrence of a breach by Contractor of any of the Guaranteed Obligations (following the expiration of any notice and cure period set forth in the applicable Contract Document and applicable to such breach), notwithstanding the existence of any dispute between or among City, Contractor and Guarantor with respect to the existence of such a breach.

b. Guarantor's performance of some, but not all, of the Guaranteed Obligations will in no way limit, affect, modify or abridge Guarantor's liability for those Guaranteed Obligations that have not been performed.

c. City, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability of this Guaranty or giving rise to any reduction, limitation, impairment, discharge or termination of Guarantor's liability hereunder, from time to time may (i) with respect to the financial obligations of Contractor, renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of financial obligations that are Guaranteed Obligations, and/or subordinate the payment of the same to the payment of any other obligations, (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto, (iii) request and accept other guarantees of the Guaranteed Obligations and take and hold security for the payment of this Guaranty or the Guaranteed Obligations, (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for performance of the Guaranteed Obligations, any other guarantees of the Guaranteed Obligations, or any other obligation of any Person with respect to the Guaranteed Obligations, (v) enforce and apply any security hereafter held by or for the benefit of City in respect of this Guaranty or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that City may have against any such security, as City in its discretion may determine, and (vi) exercise any other rights available to it under the Project Documents.

## EXHIBIT F

d. This Guaranty and the obligations of Guarantor hereunder will be valid and enforceable and will not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than infeasible performance in full of the Guaranteed Obligations), including without limitation the occurrence of any of the following, whether or not Guarantor will have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Project Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement or instrument relating thereto; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including without limitation provisions relating to events of default) of the Project Documents or any agreement or instrument executed pursuant thereto; (iii) City's consent to the change, reorganization or termination of the corporate structure or existence of Contractor; (iv) any defenses, set-offs or counterclaims Contractor may allege or assert against City in respect of the Guaranteed Obligations, including but not limited to failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury, except and only to the extent any defenses, set-offs, or counterclaims are actually allowed either by the arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction; and (v) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of Guarantor as an obligor in respect of the Guaranteed Obligations.

e. The parties hereto specifically agree that, in addition to any and all remedies at law available to the City, the City shall be entitled to the remedy of specific performance of any and all Guaranteed Obligations, and Guarantor specifically agrees that the City shall be entitled to any other remedies incidental to enforcing such specific performance, including, without limitation, the granting of appropriate injunctive relief.

f. It is the intent of the parties that the Guarantor's liability for the Guaranteed Obligations shall be limited to that of Contractor, and that this instrument shall not impose greater obligations upon the Guarantor than would be owed to the City by Contractor. Any final determination either by an arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction with respect to any of the Guaranteed Obligations shall establish the limits of this Guaranty with respect thereto. Nothing in this Section shall affect the enforceability of the Guarantor's waiver of defenses, subrogation rights, and reimbursement rights set forth in Sections 5 and 6.

5. **Waivers.** To the fullest extent permitted by law, Guarantor hereby waives and agrees not to assert or take advantage of: **(a)** any right to require City to proceed against Contractor or any other Person or to proceed against or exhaust any security held by City at any time or to pursue any right or remedy under any of the Project Documents or any other remedy in City's power before proceeding against Guarantor; **(b)** any defense that may arise by reason of the incapacity, lack of authority, death or disability of, or revocation hereby by Guarantor,

## EXHIBIT F

Contractor or any other Person or the failure of City to file or enforce a claim against the estate (either in administration, bankruptcy or any other proceeding) of any such Person; (c) any defense that may arise by reason of any presentment, demand for payment or performance or otherwise, protest or notice of any other kind or lack thereof; (d) any right or defense arising out of an election of remedies by City even though the election of remedies, such as nonjudicial foreclosure with respect to any security for the Guaranteed Obligations, has destroyed the Guarantor's rights of subrogation and reimbursement against Contractor by the operation of Section 580d of the Code of Civil Procedure or otherwise; (e) all notices to Guarantor, to Contractor or to any other Person, including, but not limited to, notices of the acceptance of this Guaranty or the creation, renewal, extension, modification, accrual of any of the obligations of Contractor under any of the Project Documents, or of default in the payment or performance of any such obligations, enforcement of any right or remedy with respect thereto or notice of any other matters relating thereto; (f) any requirements of diligence or promptness on the part of City; (g) except as specifically provided elsewhere in this Guaranty, any defense arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Contractor or any other Person from any cause other than indefeasible performance in full of the Guaranteed Obligations; (h) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal or which reduces a surety's or guarantor's obligation in proportion to the principal obligation, including, without limitation, all rights and benefits under Section 2809 of the California Civil Code purporting to reduce a guarantor's obligation in proportion to the obligation of the principal; (i) any defense based upon any act or omission of City which directly or indirectly results in or aids the discharge or release of Contractor, Guarantor or any security given or held by City in connection with the Guaranteed Obligations; (j) any and all suretyship defenses under applicable law including, but not limited to, any defense under Sections 2787 through 2855, inclusive, of the California Civil Code; and (k) any statute of limitations affecting Guarantor's liability hereunder or the enforcement thereof.

6. **Waiver of Subrogation and Rights of Reimbursement.** Until the Guaranteed Obligations have been indefeasibly paid in full, Guarantor waives any claim, right or remedy which it may now have or may hereafter acquire against Contractor that arises from the performance of Guarantor hereunder, including, without limitation, any claim, right or remedy of subrogation, reimbursement, exoneration, contribution, or indemnification, or participation in any claim, right or remedy of City against Contractor, or any other security or collateral that City now has or hereafter acquires, whether or not such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise.

7. **Waivers by Guarantor if Real Property Security.** If the Guaranteed Obligations are or become secured by real property or an estate for years, Guarantor waives all rights and defenses that Guarantor may have because the Guaranteed Obligations are secured by real property. This means, among other things:

## EXHIBIT F

a. City may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Contractor.

b. If City forecloses on any real property collateral pledged by Contractor:

(1) The amount of the Guaranteed Obligation may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price.

(2) City may collect from Guarantor even if City, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from Contractor.

This is an unconditional and irrevocable waiver of any rights and defenses Guarantor may have because the Guaranteed Obligations secured by real property. These rights and defenses include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d, or 726 of the Code of Civil Procedure.

8. **Default: Cumulative Rights.** The City may declare Guarantor in default under this Guaranty for any failure to fully perform and discharge its obligations and liabilities under this Guaranty. Guarantor and the City specifically agree that, in addition to any and all remedies at law or in equity that the City may have, the City shall be entitled to the remedy of specific performance of any of the provisions and obligations to be performed by Guarantor under this Guaranty and that the City shall be entitled to any other provisional remedies incidental to enforcing such specific performance, including, without limitation, the granting of appropriate injunctive relief. All rights, powers and remedies of City hereunder will be in addition to and not in lieu of all other rights, powers and remedies given to City, whether at law, in equity or otherwise.

9. **GUARANTOR'S RELEASE OF THE CITY AND COMMITTED CITIES.** **GUARANTOR, FOR ITSELF AND ON BEHALF OF EACH OF ITS SHAREHOLDERS, SUBSIDIARIES, AFFILIATES, AND EACH OF THEIR RESPECTIVE SUCCESSORS AND ASSIGNS, DOES HEREBY RELEASE, HOLD HARMLESS AND FOREVER DISCHARGE THE CITY, EACH MEMBER OF THE CITY GROUP, AND THE COMMITTED CITIES FROM ANY AND ALL LOSSES AND LIABILITIES, IN EACH CASE, OF ANY KIND OR CHARACTER, WHETHER KNOWN OR UNKNOWN, HIDDEN OR CONCEALED, TO THE PERSON OR PROPERTY OF GUARANTOR, ITS SUCCESSORS AND ASSIGNS, RESULTING FROM OR ARISING OUT OF (1) ANY LOSSES TO GUARANTOR ARISING OUT OF THIS GUARANTY; (2) THE PAST, PRESENT, CONTINUED AND FUTURE SCREENING, ACCEPTANCE, DISPOSAL, TREATMENT, SORTING, HANDLING AND PROCESSING BY THE CONTRACTOR GROUP OF WASTE OR OTHER MATERIAL (INCLUDING COMMITTED COUNTY WASTE, COMMITTED CITY WASTE AND SELF-HAUL WASTE) AT OR IN THE LANDFILL OR ANY OTHER OF THE FACILITIES, EXCEPT FOR SCREENING,**

16. **Captions.** The captions of the various Sections of this Guaranty have been inserted only for convenience of reference and do not modify, explain, enlarge or restrict any of the provisions of this Guaranty.

17. **Assignability.** This Guaranty is binding upon and inures to the benefit of the successors and assigns of Guarantor and City, but is not assignable by Guarantor without the prior written consent of City, which consent may be granted or withheld in City's sole discretion. City has the right to assign this Guaranty to an Affiliate of City without obtaining any further consent from Guarantor. Any assignment by Guarantor effected in accordance with this Section 17 will not relieve Guarantor of its obligations and liabilities under this Guaranty. The sale or other disposition of a majority in interest of the shares of Guarantor or the sale, transfer, or disposition (including by merger) of substantially all of the assets of Guarantor shall be deemed an assignment of this Guaranty subject to consent as required herein.

18. **Construction of Agreement.** Ambiguities or uncertainties in the wording of this Guaranty will not be construed for or against any party, but will be construed in the manner that most accurately reflects the parties' intent as of the date hereof.

19. **No Waiver.** Any forbearance or failure to exercise, and any delay by City in exercising, any right, power or remedy hereunder will not impair any such right, power or remedy or be construed to be a waiver thereof, nor will it preclude the further exercise of any such right, power or remedy.

20. **Bankruptcy; Post-Petition Interest; Reinstatement of Guaranty.**

(a) The obligations of Guarantor under this Guaranty will not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Contractor or by any defense which Contractor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding. City is not obligated to file any claim relating to the Guaranteed Obligations if Contractor becomes subject to a bankruptcy, reorganization, or similar proceeding, and the failure of City so to file will not affect Guarantor's obligations under this Guaranty.

(b) Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of said proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if said proceedings had not been commenced) will be included in the Guaranteed Obligations because it is the intention of Guarantor and City that the Guaranteed Obligations should be determined without regard to any rule of law or order which may relieve Contractor of any portion of such Guaranteed Obligations. Guarantor will permit any trustee in bankruptcy, receiver, debtor in possession,

**EXHIBIT F**

assignee for the benefit of creditors or any similar person to pay City, or allow the claim of City in respect of, any such interest accruing after the date on which such proceeding is commenced.

21. **Attorneys' Fees.** Should any litigation be commenced under this Guaranty, the successful party in such litigation shall be entitled to recover, in addition to such other relief as the court may award, its reasonable attorneys' fees, expert witness fees, litigation related expenses, and court or other costs incurred in such litigation. For purposes of this clause, the term "successful party" means the net winner of the dispute, taking into account the claims pursued, the claims on which the pursuing party was successful, the amount of money sought, the amount of money awarded, and offsets or counterclaims pursued (successfully or unsuccessfully) by the other party. If a written settlement offer is rejected and the judgment or award finally obtained is equal to or more favorable to the offeror than an offer made in writing to settle, the offeror is deemed to be the successful party from the date of the offer forward.

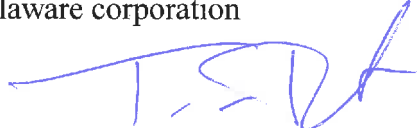

22. **CONSENT TO JURISDICTION.** GUARANTOR AND THE CITY AGREE THAT ANY ACTION OR PROCEEDING TO RESOLVE A DISPUTE BETWEEN GUARANTOR AND CITY CONCERNING THE INTERPRETATION, APPLICATION OR ENFORCEMENT OF THE TERMS OF THIS GUARANTY MAY ONLY BE BROUGHT IN SUPERIOR COURT FOR THE COUNTY OF SONOMA OR U.S. DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA. EACH OF GUARANTOR AND CITY ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS. IF NOT A RESIDENT OF THE STATE OF CALIFORNIA, GUARANTOR MUST APPOINT AND MAINTAIN AN AGENT FOR SERVICE OF PROCESS IN THE STATE OF CALIFORNIA.

**EXHIBIT G**

**Sonoma County Committed Cities' Contingency Liability Fund Agreement**

This Agreement is entered into by the Cities of Cloverdale, Cotati, Healdsburg, Rohnert Park, Santa Rosa, Sebastopol and Sonoma, and the Town of Windsor (collectively, the "Committed Cities").

**RECITALS:**

WHEREAS, historically, municipal solid waste from throughout Sonoma County was deposited at the Central Disposal Site and one or more of the Former Landfills. Environmental liabilities exist for both the Central Disposal Site and the Former Landfills. Sonoma County has taken the position that the cities within the County are liable for their share of the costs to address the environmental liabilities associated with the Central Disposal Site and the Former Landfills. The Committed Cities dispute their individual responsibility for these alleged environmental liabilities and have taken the position that the County is responsible for such liabilities as the owner and operator of the Central Disposal Site and the Former Landfills. Notwithstanding the foregoing, the Committed Cities have entered into a Settlement Agreement, the "Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities" ("Settlement Agreement"), to resolve their disputes with the County and avoid the significant time and expense associated with resolving their disputes through litigation; and.

WHEREAS, The County, on April 23, 2013, entered into a Master Operations Agreement with Republic Services of Sonoma County ("Republic") whereby Republic will operate the Central Disposal Site, and, upon the exhaustion of its capacity, will close the site and assume all responsibility for environmental liabilities on the site and release the Committed Cities from and indemnify the Committed Cities against all environmental liabilities associated with the Central Disposal Site in perpetuity, with the exception of liabilities (a) associated with other operators at the Central Disposal Site who are not under the control of, or in contract with, Republic (e.g., compost facility and household hazardous waste facility) and (b) related to facts and events pertaining to the Central Disposal Site and arising after the effective date of the Waste Delivery Agreement between the Committed Cities and Republic. Republic has also provided a parent guarantee and posted bonds as required by the State of California and the County for performance of its obligations under the Master Operations Agreement; and.

WHEREAS, The Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities provides, in general, that the Committed Cities commit their solid waste to the Central Disposal Site and pay Base Concession Payments on each ton thereof that go to the County as part of the costs of disposal at the Central Disposal Site to be used for closure and post closure costs at the Former Urban Landfills and/or Central Disposal Site in addition to LEAK funds and other reserves previously established for this purpose; and

WHEREAS, the County agrees to release and indemnify the Committed Cities for environmental liabilities for the Former Rural Landfills and has agreed to a covenant not to sue on the Former Urban Landfills; however, the County is not granting the Committed Cities a release nor indemnifying the Committed Cities for any liabilities associated with the Central Disposal Site or the Former Urban Landfills. Thus, if Republic should default on its obligations and the County has insufficient funds and has been unable to recover from Republic, its parent corporation or its sureties sufficient funds to satisfy the environmental liabilities of the Central Disposal Site, then the County may pursue the Committed Cities for their alleged shares of that environmental liability; and

WHEREAS, the Committed Cities desire to each accumulate a fund entirely under the control of the Committed Cities to protect themselves and their rate payers against such contingent liability and against any other source of unanticipated environmental liability for solid waste disposal. The County has agreed to collect and hold, in addition to the Base Concession Payment, a fee of up to \$5 per ton, adjusted in accordance with the Settlement Agreement and this Agreement, to be designated as the "Committed Cities Contingent Liability Fund" (sometimes "CCCL Fund"), described in the Central Disposal Site and Former Landfills Settlement Agreement. This Agreement is solely between the Committed Cities and governs the setting of the fee, expenditures from the Committed Cities Contingent Liability Fund and the termination of the Committed Cities Contingent Liability Fund.

Now, therefore, the parties agree as follows:

## **AGREEMENT**

### **1. Definitions.**

Except as otherwise provided for herein, the definitions of capitalized terms in this Agreement shall have the same meaning as provided for in the Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities which definitions are incorporated herein by reference.

### **2. Recitals.**

The Recitals, above, are true and are incorporated into this Agreement.

### **3. Governance of the Fund.**

#### **3.1. Committed Cities' Representatives.**

Each Committed City shall designate a representative to speak for and act on behalf of that Committed City with regard to decisions related to the Committed Cities Contingent Liability Fund. That representative shall be conclusively presumed to have the actual authority to speak for and act on behalf of his or her Committed City unless and until each of the other committed Cities have been given written notice of a limitation on that representative's authority, the revocation of that representative's authority or the appointment of a different representative.

The initial representative of each Committed City shall be its City Manager.

**3.2. Voting.**

**A. Voting Power.**

Each committed City shall have one vote on any matter related to the Committed Cities Contingent Liability Fund.

**B. Supermajority Votes Required.**

The following decisions shall require the assent of at least seven of the eight Committed Cities subject to the provisions set forth in Section 4:

- Changing the amount of the fee to be charged and collected by Republic on each ton of Committed City waste and paid to the County to be held in the Committed Cities Contingent Liability Fund. This does not apply to the automatic adjustments to the fee under the Master Operations Agreement and the Central Disposal Site and Former Landfills Settlement Agreement. The parties agree that the initial amount of the fee to be collected shall be \$5.00 per ton.
- Reduction or increase in the amount of the Committed Cities Contingent Liability Fund surcharge.
- The termination of the CCCL Fund. Provided however that any individual Committed City or Cities may request the County and/or Republic to continue to collect funds on its behalf.

**C. Unanimous Vote.**

The Committed Cities may unanimously agree to such other disbursements from the Committed Cities Contingent Liability Fund for purposes identified in this agreement for the hiring of consultants, hiring of legal counsel or payment of any claims asserting Environmental Liability against the Committed Cities.

Any Committed City may call for a meeting as set forth below to discuss any interim disbursement from the Committed Cities Contingent Liability Fund.

**3.3. Meetings.**

**A. Calling Meetings.**

Any Committed City may call a meeting of the Committed Cities by giving at least 30 days' written notice to all of the representatives of the Committed Cities of the date, time and place of the meeting. Prior to

calling such a meeting, the Committed City calling the meeting must consult with the representatives of the other Committed Cities to ascertain their availability to attend the meeting. Representatives may attend meetings by teleconference or video conference as long as those attending remotely may hear those present and those present may hear those attending remotely. Noticing of such meeting shall comply with the Ralph M. Brown Act if applicable.

**B. Quorum.**

Representatives of six or more of the Committed Cities attending a meeting in person or remotely shall be a quorum. Proxy votes are not permitted.

**C. Chairing the Meeting.**

The representative who called the meeting shall act as Chair of the meeting.

**3.4. Secretary.**

The Committed Cities shall choose one of their representatives to act as Secretary. It shall be the responsibility of the Secretary to take and keep minutes of each meeting, to keep in the minute book copies of Actions in Writing, and to keep records of each Committed City's reports of fees paid into the committed Cities Contingent Liability Fund as required by section 4.1, below. The Secretary shall serve until resignation, election of a new secretary, or removal of the Secretary as representative of his or her Committed City.

**4. Shares of the Fund.**

**4.1. Determination of Each City's Share.**

Each Committed City shall have a share of the Committed Cities Contingent Liability Fund equal to the proportion of the fees paid into the CCCL Fund from each Committed City's solid waste deliveries to the Central Disposal Site. The Committed Cities shall be provided with an annual accounting by the County of the amount and proportion of fees allocated to each Committed City.

**4.2. Disbursement of Each City's Share.**

Upon the termination of the CCCL Fund, the money in the CCCL Fund shall be disbursed among the Committed Cities in proportion to each City's share. If, during the life of the CCCL Fund, any disbursements or expenditures are made for the benefit of fewer than all of the Committed Cities, the disbursements shall be credited against the share in the CCCL Fund of each City which was disbursed said funds, and, on the termination of the CCCL Fund, only each Committed Cities' remaining share, if any, shall be distributed to each Committed City.

No City's share of funds shall be disbursed without that City's consent to distribution or payment from its share of the CCCL Fund. If other cities elect to terminate this Agreement, any Committed City or group of Committed Cities shall have the right to request the County to continue to collect fees on behalf of that jurisdiction (or on behalf of those jurisdictions) on its or their Committed Waste.

**5. Uses of the Fund.**

The Committed Cities Contingent Liability Fund and the money therein may be used only for the benefit of the Committed Cities' solid waste ratepayers. Whether a use is for the benefit of the Committed Cities' solid waste ratepayers is entirely within the reasonable discretion of the Committed Cities and their representatives to the CCCL Fund.

**6. Notices.**

All notices given pursuant to this Agreement or involving the Committed Cities Contingent Liability Fund shall be in writing, and shall be delivered in person, transmitted by email, facsimile, certified mail or recognized courier service (such as Federal Express or UPS). Notices shall be effective upon delivery at the address provided for each representative of each Committed City as confirmed by reply email, electronic confirmation of facsimile delivery, certified mail receipt or on-line tracking data. The initial addresses for notices are set forth below the signature lines for each Committed City, and may be changed by giving notice as provided in this section.

**7. Dispute Resolution.**

Any dispute among the Committed Cities or any of them involving the Committed Cities Contingent Liability Fund shall be subject to binding arbitration as provided in section 10.3 of the Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities.

**8. Miscellaneous.**

**8.1. Severability.**

If any provision of this Agreement or application thereof to any person, Party or circumstance shall to any extent be invalid or unenforceable, the remainder of this Agreement or the application of such provision to any person, Party or circumstance other than those as to which it is held invalid or unenforceable shall not be affected thereby and each remaining provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

**8.2. Amendment and Modification.**

This Agreement may be modified only upon written agreement of the Committed Cities.

**8.3 Integration.**

This Agreement contains the entire understanding of the parties and constitutes the sole and only agreement between them concerning the subject matter hereof or the rights and duties of any of them in connection therewith. Any agreements or representations among the parties hereto, regarding said subject matter not expressly set forth in this Agreement are null and void.

**Attachment 2b:  
Omnibus Amendment to the Waste Delivery  
Agreement and Franchised Hauler Agreement**

OMNIBUS AMENDMENT TO WASTE DELIVERY AGREEMENT AND  
FRANCHISED HAULER AGREEMENT

This Omnibus Amendment to Waste Delivery Agreement and Franchised Hauler Agreement (this "Amendment") is entered into as of April 1, 2022, by and among the City of Sebastopol ("City"), Republic Services of Sonoma County, Inc. ("Republic"), and Recology Sonoma Marin ("Recology").

WHEREAS, each of the cities of Cloverdale, Cotati, Healdsburg, Rohnert Park, Santa Rosa and Sebastopol (the "Committed Cities" or "Cities") is party to a Waste Delivery Agreement with Republic (each, a "WDA"), and a Franchised Hauler Agreement with Republic and Recology (each, an "FHA");

WHEREAS, Republic and Recology are parties to an Agreement for Operations of Sonoma County Transfer Stations and Materials Recovery Facility (the "Prime Subcontract"), pursuant to which Republic subcontracted to Recology certain of Republic's obligations under the Amended and Restated Agreement for Operation of the Central Landfill and County Transfer Stations (the "MOA") between the County of Sonoma and Republic;

WHEREAS, the MOA, Prime Subcontract, WDAs and FHAs (collectively, the "County Agreements") contemplate that Recology will provide a limited program for collection of Commercial Food Waste and Dry Commercial Mixed Waste within urban areas of City (the "Programs"), to be compensated solely through a portion of the Facility Operations Service Fee that Recology receives under the Prime Subcontract;

WHEREAS, the Programs and related compensation contemplated by the County Agreements do not meet the requirements of SB 1383, including provision of organics service to all residential and commercial generators (not just urban customers), periodic route reviews to monitor contamination, periodic compliance reviews to monitor participation, and detailed reporting related to the foregoing;

WHEREAS, the parties believe that the needs of City to comply with SB 1383 can be best served by having City's organic waste and Dry Commercial Mixed Waste programs fully funded under its franchise agreement with Recology, rather than attempting to implement an SB-1383 compliant program by supplementing the existing (noncompliant with SB1383) Programs with additional services under City's franchise agreement;

WHEREAS, eliminating the funding for the Programs under the Prime Subcontract will allow the Gate Rates charged to Recology (as City's franchised hauler) on Committed City Waste delivered to the County facilities to be reduced (compared to what the Gate Rates would otherwise be) by the portion that previously funded the Programs;

NOW, THEREFORE, the parties agree as follows:

1. Effective as of April 1, 2022, and subject to Section 3 below, Section 2.3 of City's WDA, and Sections 3 and 4 of City's FHA (and of Exhibit C to City's WDA, which sets forth the form of the FHA), are hereby deleted and of no further force or effect.
2. Effective as of April 1, 2022, and subject to Section 3 below, City's franchise agreement is hereby amended to add the following:

“To maximize route efficiency, Contractor may collect Commercial Food Waste in its residential collection vehicles, commingled with residential organics, provided that the tonnage of Commercial Food Waste so collected in City, the other cities that are party to a Waste Delivery Agreement with Republic where Recology is the franchised hauler, and the unincorporated County combined, does not exceed 15% of the total tonnage of Commercial Food Waste collected by Contractor from such jurisdictions (calculated on an aggregate (combined) basis, not jurisdiction by jurisdiction by jurisdiction), and provided further that Contractor compensates Republic Services of Sonoma County, Inc. (“Republic”) appropriately for such commingled Commercial Food Waste, in a manner to be mutually agreed by County, Republic and Contractor.”

3. The effectiveness of Sections 1 and 2 is subject to satisfaction of all of the following conditions:

(a) The MOA and Prime Subcontract are amended to, among other things: (i) adjust the Gate Rate and the Facility Operations Service Fee to eliminate the portion that funds the Programs (currently \$4.21 per ton), on all tons on which such portion is included, (ii) revise Republic’s diversion tonnage goal in Section 9.2 of the MOA and Section 5.4 of the Prime Subcontract from 67,000 to 44,735 tons per year, and Recology’s diversion tonnage goal in Section 5.4 of the Prime Subcontract from 46,173 to 23,908 tons per year; (iii) delete the second sentence of the first paragraph of Section 9.7 of the MOA, and (iv) delete Section 5.16 of the Prime Subcontract, all such amendments to be effective as of April 1, 2022;

(b) On or before April 1, 2022, (i) each of County and the Committed Cities enters into a written amendment to its respective franchise agreement with Recology that includes a rate adjustment that, in Recology’s sole but reasonable opinion, is sufficient to fully fund the organic waste and, if continued, the Dry Commercial Mixed Waste programs provided by Recology in such jurisdiction pursuant to the franchise agreement, and (ii) each other of the Committed Cities enters into an omnibus amendment to its WDA and FHA that is identical in all material respects to this Amendment. Any of the conditions set forth in this subsection (b) may be waived by Recology in writing to the other parties hereto.

4. In the event of any conflict between this Amendment and City’s WDA or FHA, this Amendment shall govern. This Amendment may be executed in counterparts and/or by electronic signature (e.g. DocuSign). As used in this Amendment, “including” and its variants mean “including without limitation.”

5. Nothing contained herein shall change the definition of Committed Waste within the WDA. More specifically, Commercial Food Waste and Dry Commercial Mixed Waste are and shall continue to be considered Committed Wastes. This Amendment does not modify the categories of Waste exempt from payment of the Facility Operations Fee in Section 8.3 of the Prime Subcontract.

6. Except as expressly amended herein, each of the County Agreements shall remain in full force and effect.

IN WITNESS WHEREOF, this Amendment is entered into as of the date first written above.
