<b>Total Combined</b>	<b>9.75</b>	<b>10.25</b>	

\* The City receives 1% of the statewide base rate, and the County also receives a portion.

\*\*Measure U authorized a .5% sales tax. However, there is uncertainty about the ability of the City to collect the full amount authorized by Measure U because of a potential conflict with Measure I and the state cap on sales taxes. Until that uncertainty is resolved, only a .25% sales tax will be imposed by the City. In exchange, the County has agreed to provide Sebastopol with the portion of the Measure I revenue generated in Sebastopol, allowing the City to receive revenue equal to the full amount authorized by Measure U.
