Subject: New trash hauler contract
Date: Saturday, January 18, 2025 8:04:21 PM

Dear Council Members:

As a longtime resident of Sebastopol, I feel it is necessary to voice my deep disagreement with your recent vote to bring a new hauler. Your decision will impact our local businesses in the most negative way. You are doing them and our town's future a disservice that will bring longterm negative consequences for Sebastopol. I implore you to reconsider and be the leaders we need.

Sincerely,
Letitia Coate
