Subject: Objection to exclusion of certain press coverage
Date: Tuesday, March 4, 2025 10:25:31 AM

Dear City Council,

To day you will be considering limiting certain press coverage of city council meetings. While I cannot attend today, I need to express my nonsupport of this authoritarian step. I rely on journalists to keep me informed of decisions and actions being considered in Sebastopol, the town in which I operate my business. If you selectively ban press admittance you are effectively going into hiding about your purposes in governing the city.

Thank you,
Andrea Oreck
