PUBLIC NOTICE

September 10, 2024

Ives Pool Closure

Ives Pool will be closed the week of September 16, 2024 for the replacement of the Pool Heater and needed site improvements. The projected reopening date is Friday September 20, 2024.

The Public Works Department has been planning these essential repairs at Ives Pool for several months and worked closely with Ives Pool Management to schedule the least disruptive timeframe to perform the work.

We apologize for this inconvenience and are working closely with the contractors to make every effort to complete these improvements within the targeted closure dates. More information is available at: <https://www.ivespool.org/>
