Subject: Support for Recology
Date: Monday, January 6, 2025 11:01:07 PM

Dear Mayor Zollman, Vice Mayor McLewis, and Councilmembers Carter, Hinton, and Maurer,

I would like to express my support for retaining Recology as a service provider for Sebastopol. As a customer, I have been happy with their services and I appreciate the good work that they do in our community to raise awareness about waste and sustainability.

I do not believe that selecting SCRR over Recology is in the best interest of residents or business owners. I am concerned that the costs laid out in the staff report are not transparent and do not reflect what the actual costs will be. I am also concerned that SCRR doesn't have a facility in Sonoma County. It does not make sense to ship our recycling out of the county to be sorted when Recology has a state of the art sorting facility in Santa Rosa.

Please continue to contract with Recology for our waste services here in Sebastopol.

Thank you,
Terra Emerson
Sebastopol Resident
