

## **Sonoma Clean Power Resources to Help Manage Energy Use and Bills**

The below information was provided by Sonoma Clean Power's Executive Director Geof Syphers on December 6, 2024.

Call our Customer Service line at **1 (855) 202-2139** between 8 am and 5 pm Mon – Fri. It will help if you have a copy of a recent electric bill to look at when you call. Since winter bills tend to be the highest, we do not want you to have to wait for a presentation to get the information you need. Our team can help you:

- Check to see if you're on the right electric rate;
- Get energy saving tips to cut your bill; and
- Get a free Energy Savings Kit.
