

# CAC Proposed City Website Changes

November 2024

## A. Principles:

Make these things easier to find by redundancy, cross-linking:

- a. Climate Action Framework
- b. links for Sonoma County CARD/Bayren

## B. Updates needed on <https://www.cityofsebastopol.gov/our-community/sustainability-conservation-measures/>

EV Charging Tab:

- Update text to reflect current state

Street Tree Program:

- Remove Safe routes to school links or explain why they are there
- Consider updating 2002 recommendations for street trees
- Add text with benefits of trees

Sustainable Sebastopol Tab:

- Under Climate Action Framework accordion, add link to actual framework
- Fact check/update
  - Energy conservation & Alternative energy text (link to CARD?)
  - Green building program
  - What you can do
  - Transportation
  - Natural disasters (add links to Cal-Adapt and to MYN)
- Under knowledge base, add links to <https://sonomacounty.ca.gov/climate> <https://www.bayren.org/home-learning-center>, and RCPA; replace “Business outreach committee” with CAC
- Under leadership and Innovation, add declaration of climate emergency, Gas station ban, electrification survey and adoption of Framework
- Under Local foods and ag, add link to <https://zerowastesonoma.gov/resources/compost-giveaways>
- Under Metrics, remove current links, add link to <https://rcpa.ca.gov/what-we-do/countywide-ghg-inventory/>, electrification survey results, and Steve’s site

#### Water Conservation Tab:

- Add greywater section
- Add residential “Water Conservation Tips & Tricks” section (move videos from drought resources to this section)
- Add word “Commercial” to the current “Water Conservation Tips & Tricks” accordion

#### C. Updates needed on <https://www.cityofsebastopol.gov/boards-commissions-committees/climate-action-committee/>

##### Change climate action committee widget picture

Cross link from sustainability to climate action committee and to County CARD office

Add section: Join the CAC with text on explaining application process and how to volunteer, place application links in that section

Remove working group member lists: replace with simple list of “past and current working groups”

##### Links list:

Add climate action framework

Remove Oakland Equity Checklist

Remove CAP documents
