Trees In Spring - A Walk Around Town

Saturday, 9:00 am Meet at the downtown plaza
Leader: Virginia Anderegg

Join this walk and explore the trees of Sebastopol in mid-Spring. Some species will be in full bloom, many fruiting trees past bloom but with fresh leaves and young fruit - even most evergreens have some fresh new growth (and probably pollen!) We will walk at a good pace through the neighborhoods of central Sebastopol, stopping at specific locations to identify trees in gardens and public spaces. A plant list will be provided. Walkers will be introduced to many tree species with a focus on vibrant spring features, and how each species fits into the urban forest of our town. We will cover 2 to 3 miles with several planned stops to identify and appreciate the rich flora of Sebastopol, and return to the Plaza by 11:30. Wear sunscreen, a hat and walking shoes. Bring water, a snack, and tissue if you have allergies.

Long-time Sebastopol resident and plant enthusiast, Virginia Anderegg, will share easy ways to identify trees.
